STILL GOING SOME!

Having added to my employ another first-class mechanic, can inform my many customers that I am in a position to do better for them than ever before.

GET BUSY and see my price for a new bathroom outfit, or any repairs you need; also don't forget to see your boiler is O. K. before the fall sets in, and be like the wise and not like the foolish servant.

REMEMBER, come in out of the wet, as I am right on the job and personally performs or supervises my own work.
