Crushed by a Girder.

A carpenter who purchased our Disability Policy last year, while working recently on the roof of a large city building under construction, suffered five weeks' injury through a falling girder.

His small semi-annual premium, only a dollar a week, was never missed by him, but he very much appreciates the claim cheque we gave him.

Breaking Up The Home!

You can hardly blame this man for what he is doing, as he is evidently suffering from an attack of Indigestion. It would be much cheaper for him to purchase a bottle of some good Stomach Mixture.

Stafford's Prescription A

would certainly help this man, and any other who would feel like doing the same thing. The usual symptoms of Indigestion or Nervous Dyspepsia are as follows: Uncomfortable feeling about Stomach after eating, Headache, Nausea, Acid and Bitter Eructations, Langour and Depression of spirits, Irritability of Temper, Tenderness over Pit of Stomach, Bad Taste, Loss of Appetite, Constipation, etc. If you have any of the above symptoms try a Bottle of STAFFORD'S PRESCRIPTION A, and we are certain it will cure you. You can purchase a trial bottle for

Labradorite

Always we have prided ourselves on the quality of our Labradorite and refused to place on sale stones that did not do credit to the peculiar beauty that is its chief charm. We have now received the first samples of our new stock and they fulfil in every way our ideas of what Labradorite should really be like when made into jewellery.

Specially selected and extra well polished stone made into an assortment of Pendants—Bean, Oval and Square shape are the chief items in our new selection.
