## ASTOUNDING, CONFOUNDING, BUT TRUE.

## Cure of Consumption!

BY THE GREAT SHOSHONEE REMEDY, IN CANADA.

Messrs. Young & Chamberlain:

GENTLEMEN,—I, Wilson Storms, of Brighton, C. W., make oath and say: I feel anxious to let you know what the Great Shoshonee Remedy has done for me. My wife was afflicted with Consumption and died; I was also afflicted with the same disease, and after her death I continued to cough and spit blood. I had very severe Night Sweats, coughed nearly all night, and every night could not sleep unless a little towards morning. I raised over a quart of matter every 24 hours; had severe pain in the left lung, &c., and was greatly debilitated. In fact, I was going as fast as I could towards the grave.

There is a Great Indian Remedy just introduced; Dr. Baker has it for sale, and I believe it will cure you. I took his advice and brought a bottle home with me, took a teaspoonful at once, which I felt through my whole system. As I took it I felt better and rested well all night, and continued to rest well every night. The cough, night sweat, raising matter, pain in the lung, &c., gradually left me, and I got hearty and strong. I took only three bottles. I am not taking it now, and I am as hearty and well as ever I was in my life. My sister-in-law was with me for a while, who was afflicted with the Liver Complaint. She has taken the remedy and it will cure her. This certificate you may show to the world if you please.

WILSON STORMS,  
Brighton, C. W.  
Sworn before us at Brighton, C. W. this 25th day of August, 1866.

## DOCTOR DAVIS,

Physician and Surgeon.

OFFICE—Merrick-st. between the Methodist and Baptist Churches and the Royal Hotel, or STAIRS, second door opposite the Market. Entrance on Merrick Street.

Can be consulted at all hours of the day, and at night in all Chronic Diseases, Diseases of Women and Children, &c., &c. Together with those of a private nature. He has devoted over thirty years to the study of the above named diseases, and the success so far has been without a parallel, as may be seen from the numerous testimonials in his possession.

## Private Diseases.

It is well known that this branch of the medical profession has been much neglected, from the fact that it is most represented by quacks, who invariably practice under an assumed name. Dr. D. has devoted much of his time to the various forms of this disease, and by his improved remedies the worst stages are brought under subjection in from four to ten days. The many pills arising from Secret Habits in both Sexes permanently eradicated.

No Mercury Used. Patients at a distance can be treated by corresponding with the Doctor, stating the symptoms of the disease, and the time afflicted, &c., and receive his celebrated remedies by express, or as otherwise directed, securely packed for observation. A reasonable remittance on all such applications will be required.

Dr Davis' Celebrated Female PILLS.

For irregularities, Suppression of the Menstrue, Leucorrhoea or Whites, and all female difficulties, have been before the public for the last ten years, and are universally admitted to be the best remedy for which they are recommended of any now in use. Thousands have used them without single instance of their failing to have the desired effect. Printed directions accompany each box. Sent by mail to any part of the country on receipt of one dollar.

The doctor can be consulted at all times with the utmost secrecy, as his office is so arranged that it is impossible to see each other, unless by consent. No charge for advice when obtained at the office. If by letter, one dollar. All letters must be addressed (pre-paid) to Dr. Davis, M. D., Hamilton, and to contain a postage stamp when an answer is required.

Hamilton, Oct. 19, 1867. 627.

## THE BRYANT, STRATTON & ODELL

Business College and Telegraph Institute. Express Buildings, 55 Yonge-st., TORONTO.

Established 1838. Connection with J. D. ODELL, Principal.

A SCHOLARSHIP issued from this College is good for an unlimited time, and entitles the holder to the advantage of instruction and influence in obtaining situations. Each College derives special benefit from all others, in the combined experience of numerous teachers, the collection of manuscripts and the publication of text books, beyond the ordinary means of any single school. We have the best system of Penmanship known to the public, taught by experienced, first-class Penmen, for which we were awarded First Premiums in all departments at the late Provincial Fair. Regular class instructions in Arithmetic, Commercial Law, Penmanship, Book-keeping, English Grammar, Correspondence, Composition, &c., &c., with ample black-board explanations, and special lectures to suit individual cases. Actual business is here introduced by the use of Banks, and other offices, as in business houses. The practical method of giving instruction in this institution is the most important feature. Students count their thousands of dollars, buy and sell merchandise, real estate, stocks, &c., with as much interest as our first merchants, thus converting the school-room into a banking house and a stock exchange. For further information please call at the College, or send for a College Monthly, enclosing letter stamp.
