FALL IMPORTATIONS!

J. CHARLESWORTH & Co.
44 YONGE-ST., TORONTO.

WE have the pleasure of informing our customers and the Trade generally that we are now in the receipt of our Fall Importations, and are showing a full assortment of **NEW GOODS** in each Department.

Having taken advantage of the late depression in the Manufacturing districts, we have been enabled to secure **Cheap Lines in almost every Class of Goods.**

We would call the especial attention of our friends to several large lots of **Plain and Fancy Winceys**, which we think particularly good value.

Our Stock of **Fancy Dress Goods, Shawls, Hosiery, Gloves, & Fancy Wool Goods**, will be unusually complete.

We would also mention as worthy of notice **Plain and Fancy Flannels, Blankets, Mantle Cloths and Trowelings.**

We have imported a more **Complete Stock of Staple Goods** than we have hitherto offered, and feel confident in inviting an early inspection.

Our stock will be kept assorted by weekly arrivals of New Goods during the season.

EUROPEAN NEWS.

LONDON, Oct. 9.—Rumours are current at Paris and Madrid that Cuba has declared for independence.

MADRID, Oct. 9.—The Junta will bring a bill before the Cortes for abolishing slavery in the colonies at the expiration of ten years. The Provisional Junta has made a declaration in favour of civil and religious liberty. It is received with enthusiasm, and extensive popular demonstrations have been made in Madrid, specially in favour of religious toleration. Large numbers of workmen are idle in consequence of the political agitations, which caused temporary suspension of industry and labour in the city. A rumour is current that the Duke and Duchess Montpensier have been allowed to re-enter Spain. Much excitement has been created in Catalonia by the reforms in the customs tariff.

Not the least important effect of the revolution in Spain will probably be the abolition of slavery throughout the Spanish colonies. The Provisional Junta has passed a law emancipating the children of slaves; this has been done in the expectation that the Cortes shortly to be elected by a vote of the people, will declare slavery abolished in all the colonies which yet retain connection with Spain. The leaders of the revolution seem determined to make thorough work of it, so as firmly to establish the future government of the peninsula upon the basis of freedom and justice.

THE GUELPH POLICE COURT.

Before T. W. Saunders, Esq., Police Magistrate.

SATURDAY, 10th.—Peter Tyrer was charged by Wm. Johnson with assault and battery. The battery was of a very positive nature, one of Johnson's eyes being blackened in the ordinary manner, and the other having a bad cut inflicted underneath it with the toe of the assailant's boot. The affray occurred on the night of the Puslinch show, and, *mirabile dictu*, the parties were not, until the influence of liquor, Tyrer pleaded guilty, and was fined \$20, which included costs amounting to \$6.60. Defendant reluctantly footed the bill rather than to go to gaol for two months.

GREAT POWERS

ARE ALWAYS NEUTRAL IN SMALL SQUABBLES.

SO IT IS WITH

PREST & HEPBURN

In the Leather War now going on between their opponents on the South side of Wyndham Street.

WE do not believe in bosh and blarney, but deal with facts, and leave the verdict in the hands of the intelligent people of Wellington. We are prepared to prove, and we positively affirm, notwithstanding all the puffing and blowing which has become the order of the day, that PREST & HEPBURN, Wyndham Street, Guelph, manufacture more

BOOTS AND SHOES

And employ double the number of Workmen of any other establishment in the County of Wellington. We invite the public to call and look through our Factory, and they will be convinced that we are telling the truth, and nothing but the truth.

A great deal has been said for and against Machine-made Boots and Shoes,

Now we believe, and we are confident that every well-balanced mind in Wellington will agree with us, that the less machinery used in the manufacture of Boots and Shoes the better.

All our Staple Boots and Shoes are made by Hand

Which must be admitted is far superior to any machine made Goods. We have now on hand the largest and best assortment of Boots and Shoes ever offered to the people of Wellington, which will sell as cheap as the cheapest.

Remember that all our Work is Warranted

And no second price. REPAIRS done as usual.
