Lang, the stage director had a consultation with the children, and a musical director was selected from amongst the children. Rhoda Martin, aged fourteen, played the music for the entire production, and made a decided hit with the audience.

The Russian Opera Company in "Fra Diavolo"
The Russians gave their third performance of the week last night at the Lyric, the opera being "Fra Diavolo." Hilliard Campbell, formerly principal baritone of the company, but now permanently retired from the glitter of stage and screen, was engaged for the Russians local season and played the role of "Fra Diavolo" with spirit and intelligence. He was in fine voice, and his Calgary friends turned out en masse for the occasion.

Mr. Frank Walters, labored with an aggravating cold, but seemed to recover as the opera progressed. Very few tenors would have the courage to assume a prominent role, under such discouraging circumstances. Miss Nola appeared to sympathize with her fellow artists indisposition, and worked with more than usual vigor. Her disarming scene was delicate comedy and her beautiful voice was smooth as velvet.

Miss Winifred Crowley appeared for the first time this week in the character of Lady Alceas and her improvement since the last engagement of the company in Calgary was very remarkable. She is a talented girl and bids fair to become very prominent in her profession.

The Lord Alceas of John Dewey is a well drawn, clean cut character. Edward Flovella made Beppo stand out prominently. He is an excellent comedian.

The chorus singing was as usual with the Russians, one of the features of the performance. Tonight, "Balfes" popular ballad opera, "The Bohemian Girl" will be given, with Miss Nola as Arline, Mr. Campbell, Thaddeus, Mr. Campbell, Count Arnsheim, Miss Crowley, the Gipsy Queen, Mr. Dewey, Devila Hoof, Mr. Flavelle, Forester. In this opera of Balfes, are those charming ballads "I dreamt I dwelt in marble halls," "Then you'll remember me," "The heart bowed down," and "The fair land of Poland."

A ballot was then taken on the Board of Directors, resulting in the election of Sir D. H. McMillan, K. C. M. G.; Capt. Wm. Robinson, A. J. Adamson, M. P.; Hon. B. P. Roblin, Hon. W. H. Montague, F. Nation, D. C. Cameron, John A. McDougall, Jas. H. Ashdown, Fred W. Stobart, A. Stamford White, and J. W. de C. O'Grady.

At a meeting of the Directors held subsequently, Sir D. H. McMillan and Capt. Wm. Robinson were re-elected respectively to the offices of President and Vice-President.

ZIONIST MOVEMENT IN CALGARY

Mr. Goodman a Prominent Yiddish Journalist in City Looking Into Subject

Mr. Goodman, the well known Yiddish journalist, will address the Hebrews of this city on next Sunday night. Mr. Goodman is a vice-president and executive member of the Canadian Federation of Zionists. He speaks very enthusiastically about the movement in general and especially commended the Canadian Zionism as the most ideal, the most disinterested and unselfish.

"Canadian Jews," said Mr. Goodman to the Albertan, "are in the happy possession of a home and a country. They are among the first settlers and pioneers. Nobody dares to hurl in their face the ignominious word 'stranger,' which brings the blood in the cheeks of European Jews. Canadian Zionism holds for the national and racial identity of the Jews. The movement has for its object the improvement of the lot of the Jewish people and the conditions of the oppressed Jewish population of European countries. The curative remedy for the Jewish question is the establishment of a state in Palestine, a specific place guaranteed against attacks by anti-Semites. Zion will be the place where we will colonize the best of the Jewish nation, who are willing and capable to labor for themselves as well as for the community amongst whom they live. To Canadian Jews Zionism is a moral support, a spiritual adviser, and a central nervous system. It will elevate their social and political standing in the eyes of their non-Jewish neighbors, and they will be looked upon as a nation having a home, a history, a language, a literature and racial qualifications."

FOUR TEAMS TO WIN PENDANT

Every Entry Sure of Standing at Top of League

Baseball enthusiasts in Calgary, Edmonton, Medicine Hat and Lethbridge will, during the coming season, witness the fastest ball ever played in Western Canada. The new Western Canada Baseball League in which the above clubs will play, will have ball every hit the equal of the Northern country class.

Mr. Fleming who has been in the city during the past few days (contingent on the meeting, says that Medicine Hat will have a team that will hold its own with the rest of them in the league. A manager in the Cleveland will choose the team and bring them to the Hat all ready for the first game.

Mr. Fleming is of the same opinion as the other managers of the different clubs in the league, that they will have a pennant winning team.

Dean White of Edmonton will try out several of last year's team including Pittman of Wetaskiwin, and Crist, last season with Calgary. He has several good men on his list but at present is not giving out their names, as he will keep them dark horses.

They are, "quite enthusiastic in Edmonton over the new league and are looking forward to some fast ball during the coming season."

Lethbridge is by no means behind the others in enthusiasm. They will have a fine diamond and grounds, and intend getting together a team to be in full swing during the coming season.

The people of Lethbridge are ball crazy over the new league and we are certain to have good support from the people down south, said their representative.

THE NORTHERN BANK

(Continued from page 4)

fer is the very large increase to the authorized Capital. I must say it took my breath away when the motion was put forward to authorize an application for the increase of the Capital to \$5,000,000. It seems a good sized order for the Bank, but the mistake we have made in the past has been in putting too little confidence in this Western country, and I have no doubt that the action you are taking is the right one.

I presume that it is the intention to issue these shares from time to time as occasion may demand in lots of \$500,000 or \$1,000,000. I may say that quite in opposition to the people who think there is room for a half dozen more Loan Companies and as many Banks as there are likely to come. I think there is room for the Bank facilities have kept pace with the commercial expansion.

I am glad to have had the opportunity to congratulate this Board on what they have done.

On motion of Mr. A. B. Stovel, seconded by Mr. D. J. Kenway, an adjournment to By-Law No. 3 was passed, making the second Wednesday in February, the date of the annual meeting.

A ballot was then taken on the Board of Directors, resulting in the election of Sir D. H. McMillan, K. C. M. G.; Capt. Wm. Robinson, A. J. Adamson, M. P.; Hon. B. P. Roblin, Hon. W. H. Montague, F. Nation, D. C. Cameron, John A. McDougall, Jas. H. Ashdown, Fred W. Stobart, A. Stamford White, and J. W. de C. O'Grady.

At a meeting of the Directors held subsequently, Sir D. H. McMillan and Capt. Wm. Robinson were re-elected respectively to the offices of President and Vice-President.
