LUMBER

There is quality in lumber; do not
forget that. Poor lumber means a cold,
crude house; difficult to live in; diffi-
cult to rent and difficult to sell. We
carry cheap lumber suitable for some
purposes, but if you want in your
new house we make a specialty of
inquire about our hardwood flooring.
It costs you little more than fir and
it adds greatly to the value of your house.
We store our high grades in completely
enclosed warehouses, which give pro-
tection from dust, rain and sun. Our
purchases are of such magnitude that
we can demand the best of lumber for
the least money. Our customers get the
benefit. Inspection of any one of our
thirty-six yards will satisfy you as
to this. Two yards in Calgary.
