King George Has Ordered Him Brought Back to Servia, as a Lunatic, if Necessary

London, Sept. 14. - King Peter of Service is in new trouble about his ediest son, the former Crown Prince George, who has become menitally unbalanced to such an extent that the general commanding the great French nilitary school of St. Cyr (the Gallic West Point) has anmounced that it would be impossible to permit him to return thither and resume his place among the students at the close of the

the hazing to which he was subjected at this famious school (where his fath-er, King Peter, was graduated during the reign of Napoleon III), instead of

niced th still further. Feared by His Aide-de-Camp Feared by His Aide-de-Camp very remarkable man, was the Kaipelled to leave him and to return to Beignade in order to avoid personal d to leave him smill to return to rade in order to avoid personal noe, and now, as the prince absowholence, and now, as the prince absolutely declines to return to Servia, King Peter has dispatched his principal physician, Dr. Nicolaievitch, and several officer doctors and attendants to bring him home, molens volens, as a limeto if necessary. The king has interrupted his cure at the baths of Arandjelovatz, and has returned in haste to Beigradie to take the necessary to have reached Russia. It can hardly be termed an invitation from the German monarch to a neighboring statesman, and probably when he so frankly spoke his mind the Kaiser was unaware, or had for the mo-

of Personal Liberty

Laws of the Coast Province That is the Opinion of Thomas Former Indiana Senator In-Conflict With Their Ideas

Latitude They Desire if They Move to Colorado

Vancouver, Sept. 14.—Because the aws of the Dominion and those of British Columbia in particular conflict with their ideas of personal liberty, it is possible that the 2,000 Doukhobors in

liam Blakemore of Victoria results in the Doukhobors having their own way, they will accept the offer of the Colorado authorities that they may live in the Canadian club and the Horthat state and not be hampered by any of the laws that civilization demands. They will not even be compelled to be sion. come American citizens. It is reported that the Dominion authorities will not make any special attempts to retain canada the same civic enthusiasm as to ocean. Can anyone imagine Lincoln

sive agricultural schemes.

The crisis between the authorities The crisis between the authorities and the Doukhobors became acute last June when two members of the colony appears that the vivian's visit, it June when two members of the colony June when two members of the colony were arrested and sentenced to three months' imprisonment for not making a declaration of the deaths of relatives.

Appears that the banquet tomorrow night will prove a notable occasion. Mayor Mitchell will preside and the commissioners and aldermen have commissioned to do just that work, and commissioned to do just that work. In order to hamper the police in their investigation the colony's burrying been especially invited. ground was plowed up and all traces of No Written Laws

Paris, Sept 15.—The "Rousskole Slovo," of Moscow, is responsible for the statement, which has been telegraphed to Paris, that the German Kalser has expressed a desire to see M. Poincare, the French premier and minister of foreign affairs, as the premier returns from Russia. This would mean that the French premier would have to travel home by rail instead of by sea, in order to break his journey at Berlin.

On inquiry at the Quai d'Orsay. The Doukhobors are one of the most remarkable religious sects in the world. They are practical Socialists, holding smoog the students at the close of the present vacation. The prince, it may be recalled, by reason of his ungovernable temper, was forced to surrender to his younger brother Alexander his status as crown prince and his right of the Kaiser or his government to M. Poincare. As far as is known at present, there will be no change of tineary in the Premier's tour, and he will return to French territory by the followed his valet, whom he had fatally followed, which conveyed him to crows then that the optimion was gently forms the first of the first that the optimion was gently forms the first that nothing was officially was officially were all forms to was officially written laws or rules, and nothing is fixed or moulded in their worship. Theft is unknown among the Doukhobors, as further laws or rules, and nothing is fixed or moulded in their worship. Theft is unknown among the Doukhobors, as form and provided in their worship. Theft is unknown among the Doukhobors, as further laws or rules, and nothing is fixed or moulded in their worship. Theft is unknown among th everything in common, and their motto is "The Christian Community of Unimuch expressed that he was mentally In a well informed diplomatic quaring the responsible.

"To stop its secret and ceaseless work it must be utterly exterminated. can rid America of this baneful inluence. And then the people can build the laws they so sorely need, and reap where they have sown.

Refers to Governor Wilson. "If any think that Mr. Wilson can ercome the boss system in the Democrattic party, the answer is the experience of Grover Cleveland. In courage, public purity and vast personality, Grover Cheveland was wholly great. He was elemental in his strength. And yet, although he fought the Democratic boss system in his day, he could not conquer it. If, then, the mighty Cleve-land was helpless before the boss system in his time, does anyone think that Mr. Wilson could do now what Cheve-

land failed to do them? "Just what does this boss system do that hurts the people. It passes every victious law that gets into the nation's statute books which robs the pockets and endangers the lives of the people. cord was made yesterday in swimming It fights every good law for the across the Fraser River from the north to the south bank of that swift stream. It was the meat trust got our removed his clothing and plunged in- the tobacco trust was authorized to to the swift stream. He was first collect and keep nearly \$20,000,000 of noticed by an employee of the Volcan the Spanish war tax every year instead Iron Works, who at once called the of turning that tax over to the govern-attention of the mate on the tug Re-ment as it had to do before. This liance to the man. The mate jumped system put into the Peyme-Aldrich into a dingy and started after the tariff bill those frightful robberies swimmer, whom he overtook near the which shocked the nation, just as the other side opposite Sixth street. The same system put the same kind of man, however, refused to get into the things in the Wilsom-German bill.

"Take an example in public men. It unitouched the hidden power that com-mitted the real crime?

"The same cause that produces evil things in the nation produces the like things in the states. Here in Indiana this boss system has kept on the statute books the railway road tax law, interest of the school book trust; it mission at the bidding of the public ed good laws for the people's welfare. mile in swimming across, and he was Progressive party of Indiana means to

give our state that house cleaning. Common Cause Against Moose. "And because the boss system in ontrol of both old parties in Indiana knows that we will do just that, both old party machines are making com-mon cause against the Progressive party in this state. They are doing the same thing throughout the nation. The other day Semator Pennose openly declared that 100,000 of his followers would vote for Wilson to defeat Roosevelt. And what this Republican chief-tailn said publicly lesser bosses are

saying privately. "The Sherman law as it stands is used chiefly to throw dust in the eyes of the rangements were made for equipping iness concerns, as witness the outcome of janitor's quarters and technical refof janitor's quarters and technical teleparts against the Standard On erence room in the basement of the Company and the tobacco trust. or prevailed throughout the country for the greater part of the month; in very few places did the mean temperature reach the usual average. The lowest temperature reached was in the Yukon, where 28 was recorded; 74 was the highest. For the other province the highest and lowest readings re-spectively were as follows: British Columbia, 88, 32; Alberta, 93, 30; Sas-katchewan, 85, 38; Mandtoba, 84, 36;

Ontario, 87, 30; Quebec, 82, 38; mari-time provinces, 85, 38. Excessive Precipitation The precipitation was excessive throughout the country, excepting the naritime provinces; it was exception ally heavy in Ontario and Quebec. The unced feature of the precipita was the number of days on which rain fell being in most localities more to 15. The general report shows that although a certain delay occurred in the harvest, little or to damage occurred, and the general opinion was that the crop outlook at the 31st of the month was the finest on record. A consider-

able amount of hay was lost in the NEW BOOKS AT THE PUBLIC
