AN ATTRACTIVE SEALSKIN QUARTETTE.

Lucky is the woman who can have her scarf muff, hat and purse in a This is one of the feminine freaks of the winter's advancing. A particularly charming set was recently constructed for a girl of twenty. furs used in this set were seal and ermine. The dark colored pelt was used for the hat, scarf, muff and purse, each in turn being edged with the white. The hat was a crushed affair, having at one side a large white osprey, while the muff and purse had two tiny ermine heads as decorations.

"What could happen to him, Price?"

"Good knows, poor little lad!"
"Will you shut up!" cried Mahaffy

Why do you go building on that idea

"Stuff your pistols into your pockets

"If things go wrong with us there's be the judge precipitated himself into the a blaze at the head of the bayou; does room that satisfy you?"

Murrell hesitated.

'What about the girl?" persisted Slosson, dragging him back to the point at Plain, and Hannibal has gone with her! "As a man I wouldn't lift my hand against any good-looking woman except in kindness, but harfy, and his long jaw dropped.

"Where have they gone?" asked Ma-haffy, and his long jaw dropped.
"Would to God I had an answer ready them. can't be turned loose; she knows too for that question, Solomon!" answered the httl" he urged. He made a gesture head. He gazed down on his friend with

of appeal to Ware.

"Look for the light; better still, look to Pelle Plain but you a And with this to Belle Plain, but you are too drunk.

ned away, but Sleep it off, Solomon, and join me when Murrell would have turned away, but Slosson detained him. "Who'll he be?"

"Some fellow who knows the river." "And if it's the light?" asked the tavern-keeper in a hoarse undertone. Again ie looked toward Ware, who, dry-lipped and ashen, was regarding him steadfast-Glance met glance, for a brief instant they looked deep into each other's speech. "There is mystery and rascality here!"

ed on Murrell's shoulder dropped at his "What do you know, Price, and where The judge's and Mr. Mahaffy's celebration of the former's rehabilitated credit had occupied the shank of the evening, the small hours of the night, and that hours of the night, and that had just fetched the news into town.' Again they were silent, all their end which the part of the succeeding day ing; and as the stone jug, in which were garnered the spoils of the highly confidential but entirely misleading conversation which the judge had held with Mr. Pegice after his return from Belle Plain was conscious that the judge had held with Mr. Pegice after his return from Belle Plain, was conscious that the judge, of w lost in weight, it might have been observed that he and Mr. Mahaffy seemed

to gain in that nice sense of equity which should form the basis of all human relations. The judge watched Mr. Mahaffy Mr. Mahaffy watched the judge, each distfully placing the regulation of his private conduct in the hands of his friend, as the one most likely to be affected by the rectitude of his acts. Probably so extensive a consumption

of Mr. Pegloc's corn whisky had never fuls of the clear water and sucked it been accomplished with greater high-mindedness. They honorably split the last glass, the judge scorning to set up any technical claim to it as his exclusive property; then he stared at Mahaffy, while Mahaffy, dark-visaged and forbid-ding, stared back at him. ding, stared back at him.

Ing, stared back at him.

The judge sighed deeply. He took up again with relentless vigor. The judge start of the property of

affy.

The judg shook the jug, it gave forth gained and held a fixed place at Maan empty sound, and he sighed again; he haffy's right, attempted to peer into it, closing one watery eye as he titled it toward the the situation.

ht. "If anything happens to the child, the man responsible for it would better never "I wonder no Yankee has ever thought to invent a jug with a glass bettom," he diminished energy from this moment

observed. "What for?" asked Mahaffy. "You astonish me, Solomon," exclaimed the judge. "Coming as you do from that

section which invented the wooden nut-meg and an eight-day clock that has been known to run as much as four or five hours at a stretch. I am aware the Yankees are an ingenious people; I wonder ione of 'em ever thought of a jug with a lass bottom, so that when a body holds At up to the light he can see at a glance whether it is empty or not. Do you reckon Pegloe has sufficient confidence to fill the jug again for us?"

But Mahany's expression indicated no reat confidence / Mr. Pegloe's confireat confidence

"Credit," began the judge, "is prover-bially shy; still it may sometime be in-creased, like the muscles on the body and were seen along about dusk in the grounds at Belle Plain. Do you mean to

Ten or fifteen minut s elapsed. Manaffy considered this a bod sign; it didn't take long to say no, he reflected. Another ten or lifteen elapsed. Mahaffy lost heart. Then there came a hasty step beyond the door, it was thrown violently open, and specified and the content of this point.

WINTER DEARIES

have the faculty of good luck, call it as you like, of attracting masculine admirers to their homes as soon as winter begins to establish itself. "Why look suppose I am more pleasing to men in winter than in summer?" a lifely furnished for the use of the finest prince. The sheets were of the finest lirish lawn, embroidered in the corners and put into the bag with the bird. There are plenty of women who are beauties all summer long, but who admirers to their homes as soon as winter begins to establish itself. "Why do you suppose I am more pleasing to men in winter than in summer?" a woman writes to me.

To be candid with her, I would say: I think her quite as fascinating, probably, at any and all seasons of the year.

There is a class of men who club together and who have no end of good times, with no women about to bother them, when the days and evenings are fine and warm, but who see the desirability of knowing many women at whose

fine and warm, but who see the desirability of knowing many women at who fine and warm, but who see the desirability of knowing many women at who fine and warm, but who see the desirability of knowing many women at who fine and warm, but who see the desirability of knowing many women at who had warm, but who see the desirability of knowing many women at who had warm, but who see the desirability of knowing many women at who companied the gift. In this dainty cradic, by the way, each of the children of King George and Queen Mary has slept, and her Majesty has passed many happy hours by its side. It has now been care-hours by its side. It has now been care-hours by its side. It has now been care-hours by its side. Toronto, Jan. 3.—"Insane because she

he can go everywhere else, should not imbue her with the idea that he is in love with her even if the rollicking, biting winds do blow him often to her home in winter. While I advecate, with all my heart, the delights of the men who make 2

A glance showed Mahaffy that he study of a girl at her own fireside, if he has not steeled his heart against the possibility of love and marriage, I do decry the habit of men calling on girls regularly in winter time who have no idea of marrying. Women are impressionable, they are sure to associate love with marriage, therefore he who has secretly determined to remain a bachelor should seek a

winter evening at a club rather than at a girl's home at the expense of her A few calls at irregular intervals are permissible. He should let it go at He should have a score of girls on his calling list, candidly admitting

that fact to each one rather than devote his meaningless attentions to any one woman. It is granted that no two persons could rationally look, love and agree to ved the first time they met. There must be many meetings for each to come to the conclusion that the world would be cold, dull and dreary without other, and that their friendship is but the stepping-stone to matrimony. When they can do without each other there is no heart interest between them. If the winter caller is on marriage intent, it does not take him long to make up

and come on, Price!" he said, and stalk-led toward the door.

He flitted up the street, and the judge

Women should not pin their hopes upon the man who suddenly evinces an Women should not pin their hopes upon the man who suddenly evinces an interest in them when the winter cold sets in; aye, not until he frankly confesses his love and asks her hand in wedlock. There is always safety in having many winter callers.
