ALARM GROWING ALONG BORDER AS OUTRAGE RESULT

Special Protection Sought By the Owners of Factories Against Dynamiters.

RECRUITING IS BRISKER

Evidence of an Attempt Made Upon Michigan Central Tunnel.

[Special to The Advertiser.] WINDSOR, June 21.-Dynamiting of the Peabody Overall Factory at Walkerville, the discovery of twenty-six sticks of dynamite in a suitcase in the rear of the Windsor armories and the finding of what was evidence that an attempt had been made to tamper with the Michigan Central tunnel, have the people of Windsor and the neighbor ing town in a highly worked up condi-

Brisk recruiting, appeals for pro-Brisk recruiting, appeals for protection and increased vigilance were the marked developments late this evening. Twenty applications were received in the afternoon for enlistment in the overseas forces. According to Recruiting-Sergeant Strevett this is more than have been received on any three successive days since the out-

Special Protection Asked.

Factories furnishing war supplies are alarmed and have appealed to the Government for special protection. The Tecumseh Canning Company has asked that guards be assigned to its plant. The company has just shipped a consignment of canned goods to the front end is about to start work on another big order. The Remington Arms Company, engaged in the manufacture of shells and ammunition for the Allies, has asked permission to swear n their own men as special officers to guard their branch plant here. Dr. J. O. Reaume, registrar of deeds, fearing for the safety of the valuable papers stored in the vaults, has asked special protection for the records of the re-

it is feared that further attempts to will be made.

ville and the attempt to dynamite the work of Gerable.

ville and the attempt to dynamite the work of Gerable.

One Band Responsible.
That one band of plotters is responsible for the elaborate, destructive and fear-inspiring scheme is plainly evident, according to the military authoramaras in dynamite plots — a time that contemplates not only clock calculated to discharge the death damage to property, but loss of life dealing machine at any hour desired—was brought into service Sunday night.

after six o'clock this morning Private the ticking of a clock while making his rounds in the rear of the building. He listened, but could see nothing. He walked further and at the south side of the wall hidden in a pile of junk he discovered the grip.

Consider the difficulty and the danger of getting this stuff across the river. It strikes me as an absurdity. I do not believe it possible."

The explosion at the Peabody facquarters instantly decided 'hat another bomb outrage had occurred in "Little which may be spent for buying stocks Italy," and Inspector Fox sent out of wheat and flour at 200,000,000 francs Several squads of detectives in flyers. (\$40,000,000).

Those living in the vicinity of the This figure already has been reached Those living in the vicinity of the Peabody plant declared there were two explosions. The first was a rather would fix the maximum price at which muffled report, which was immediately wheat may be sold to millers in orde followed by a terrific roar. Acting that the price of bread may not be in on the theory that a time clock was also used here, authorities suggested that the first explosion was that of the dynamite to which the fuse was

was directly beneath the rear and main office of the factory. Scores of windows were shattered on the second and third floors, and the loss is estimated at \$2,000.

Late tonight it was learned that two Windsor aldermen, whose names are being withheld for the present, have recently been the recipients of anonymous communications warning them of some possible attack on public buildings here. "Beware of attempts on Windsor public buildings by German sympathizers!" read this mysterious communication. A letter written apparently by a woman, bore the signature "A Girl Friend of the Allies." The letters, of which there were two, showed a Detroit postmark. They are being held as evidence by the police.

Both aldermen admitted having received the warnings, but said they had paid no attention to them. The aldermen declared the warnings, followed by the double dynamite plot, has convinced

the double dynamite plot, has convinced them that there is an organized plan afoot near Windsor to work damage to the Canadian Government as a blow to

England in the war.

Mounted Rifles May Go.

Intimating that the 300 men of the Mounted Rifles from London would be dispatched to Windsor to guard against further attempts on public buildings was contained in a message received was contained in a message received in Windsor this evening by Pte. W. Smith, a member of the Rifles. Smith was about to return to his command after a furlough when he received a message to remain at Windsor. No explanation accompanied the order. message to remain at Windsor. No explanation accompanied the order.

With all Windsor and Walkerville, had never heard of any such matter. Certainly, no arrangement of that miles around on edge as a result of the dynamiting attempts, the Walkerville and provincial police and the military tion. If anyone wished an investigation into such charges, a full opportunition into such charges, a full opportunition. He was minister of agriculture in the Orange River colony for several years. a clue to the dynamiters, but no arrests were made other than the man Fraser,

officers were searching for two men

said to have been seen near the armories late Sunday night.

The police received a good description of the men, Major Robinson said, but had found a part of the men. but had found no trace of them as yet. The explosion at the Peabody's plant led the military authorities this afternoon to appoint soldiers to stand guard over the factory for an indefinite period. Two-men reliefs will form the guard. The guards at the postoffice building, the armories and several other Government buildings in Windsor, Walker-ville and Ford City have been doubled as a result of the dynamite plot.

GERMANS DENY RESPONSIBILITY.

[Special to The Advertiser.] DETROIT, June 21. - Representative Lieut.-Col. McCrimmon has sent word that he is coming here to conduct an investigation into the attempt to dynamite the armories.

Windsor armory is the work of German-American from the discussion of the little and the sent word of the discussion of the little and the sent was done by German-Americans from the sent was no arrangement that the dynamiting was done by German-Americans from the little government should be a support of the late government should be a support of the support of t Americans of this city.

He was for several years assistant principal of the Myrtle Street Public School and during that period organized the Myrtle Street School Cadets. At the time hostilities broke out he

was principal of the school at Coniston, but was spending his vacation with his Corpl. Robert Kay Wounded. Mrs. Robert Kay, 29 Oliver street, today received a notice from the war office at Ottawa, officially reporting her husband as being dangerously wounded, and that he was confined to a base hospital in France. Corpl. Kay was well known in St. Thomas, having been employed for many years by R. H. Beattle as driver of a bakery wagon, and afterwards working for Contractor J. Stewart as a plasterer. He has seven children. Corpl. Kay enlisted last August when the first call for

resident of this city nearly ten years. MEMORIAL SERVICE

STRAPPED TO SEAT PLANNED IN CHATHAM.

WENT AS LIEUTENANT DIED A CAPTAIN.

[Special to The Advertiser.] GALT. June 21.-The late Lieut. Bobby Brown, reported on Saturday as having been killed in action on June 15, had been promoted a captain since going to the firing line. This news just came to hand today in a letter from Driver Archie Pettigrew of the Motor Transport Corps, who tells of how well liked Bobby Brown was by the men. The late "Bobby" Brown took command of the remainder of the

men of the Galt platoon following Capt. Lockhart's death. Today D. McLennan, manager of the Toronto Bank, received a cheerful letter from the late Lieut. Brown, in which he referred to the pleasant times he expected to have on his return to

Archie Pettigrew, whose letter is dated June 4, contradicts the recent report that he has been wounded. MEMORIAL SERVICE TO

WOODSTOCK'S HEROES. [Special to The Advertiser.] WOODSTOCK, June 21. — New Paul's Church was thronged to doors tonight, the occasion being memory of Lieut. Cecil A. James, whose death in action was reported in Saturday's casualty list, and of Pte. William Smith, who died as a result of wounds received at the battle of St. Julien, both soldiers having been well-known residents of Woodstock.

known residents of Woodstock.

The officers and members of the 22nd Regiment, of which Lieut. James was a popular officer, paraded from the armories to the church, attending in a body. Service was conducted by Rev. F. H. Brewin, rector of New St. Paul's, who paid tribute to the two Canadian heroes, whom, he declared, had, by giving their lives for others, followed the example of Jesus Christ, who died upon the cross to save others. pon the cross to save others
