Morale Weakened by Loss of Pirie Shows Throughout Rather Weird Game.

Special to The Advertiser. Agricultural Park, Brantford, Sept. 12. Before a handful of fans, generously estimated at 200, London Alerts this afternoon were eliminated from the intermediate O. B. A. A. championship race here by Guelph Outfitters, who took advantage of every break, along with considerable loose fielding on the part of the Alerts, and romped home with an 11 to 4 verdict in the sudden-death game to decide the round.

Guelph, on the showing of the two outfits, deserved the win. They outfit the London team 13 to 8, their total including a homer by Donkin, a triple by Gordon and doubles by Grierson, Kane and Schonfeldt. Connors and Hicks supplied the only Alert extra-base walstimated at 200. London Alerts this Kane and Schonfeldt. Connorsand micks supplied the only Alert extra-base wallops in the way of doubles. Five Alert errors were costly and paved the way for at least six of the Outfitters' runs. The two Guelph errors came, one each, in the sixth and ninth, and meant

The two Guelph errors came, one each in the sixth and ninth, and meant nothing to Alerts' score.

Alerts seemed lost on numerous occasions, on the paths, and in the field, and committed several sins of omission that, while not apparent in the box score, nevertheless cost heavily. The breaks seemed to go continually against them, too. Easy singles took bad hops over outfielders' shoulders for extrabase bingles, and the Londoners seemed unable to fathom the high wind that continually blew high files back to fall safely a few feet outside the infield. Guelph, on the contrary, were outwardly anyway, masters of the situation, and coupled with their desperately anxious fight to win, they played the headler ball. The breaks, nice rolling grounders, easy flies and foolish base-running, all aided them beyond their hopes. Baker pitched what ordinarily would have been a winning game, but with his support blowing up, and making errors out of third outs, to be followed by safe blows resulting in scores, he began to be hit hard. Three of the six runs that crossed the Guelph plate in the sixth, however, would have been erased had Connors displayed his usual form on V. Robinson's roller.

Baker was relieved after the damage was done in that frame, by McLeod. Baker playing first. Four hits and one run was the total gathered off Bryce McLeod, but a pair of errors in the seventh let the run in.

Alerts' shaken-up line-up, necessitated through Piric's inability to secure leave of absence from business duties, left a broken morale in the Alert dug, out even before the game commenced. The catcher's absence took Hodgson from first to catch, and McLeod, a pitcher.

of absence from business duties, left a broken morale in the Alert dug_out even before the game commenced. The catcher's absence took Hodgson from first to catch, and McLeod, a pitcher, played the initial cushion. Hodgson gave a good account of himself behind the plate, as did McLeod at first, but had Pirle been receiving the shoots, and Hodgson covering first, the morale would certainly have been seen in another of Alerts' snappy games. Instead, they played their worst. FIRST INNING.

Papyrus, Winner of Derby. Goes Down to Defeat in Classic.

RECEIVES INJURIES

Associated Press Despatch.
London, Sept. 12.—Turf history repeated itself today at Doncaster when Papyrus, Ben Irish's Derby winner, and the strongly supported favorite for the St. Leger, the last of the classics for these years run during classics for three years, run during the flat racing season, was beaten, go-ing down to defeat behind the Swynford Serenissima filly Tranquil, owned by Lord Derby. Another filly, Teresina, by Tracery-Blue Tit, owned by H. H. Aga Khan, finished third. Thirteen ran.

For twenty years the winners of the chief Epsom classic have fared badly at Doncaster, Rockhand, grandfather of the defeated favorite today, two races—excluding of course, the two races—excluding of course, the substitute races run during the war. Since Rockhand's year, 1903, only two fillies had been successful at Doncaster until this year. Pretty Polly winning in 1904 and Keysoe in 1919. Today, for the first time since 1918, has there been a 3-year-old who stood out sufficiently to win more than one of the classics. The first big races for fillies alone, the One Thousand Guineas, run at Newmarket in May, was won by Tranquil, with Cos, admittedly the best 2-yearold filly last year, in second place Tranquil did not run in the Two Thousand Guineas, the Derby or the classics for colts and fillies. New York, Sept. 12.-The story of the 1923 pennant race in the American League, which has been a runaway for the Yankees can be read away for the Yankees can be read largely in the percentage figures piled up by the pitchers. The advancement of the Yankee pitchers has been nothing short of marvelous, with all of them except Bush going better than they did last year, the Yankee slabmen show a total net gain of more than 700 points in the percent-age column. No other team in the league can show anything like that, hence they are away out in front, and
