Thursday's Proceedings in the House of Commons. Special from our own Reporter.

Ottawa, May 27.—The Speaker took the chair at 8 o'clock. The report of the Committee of the Whole on the resolutions respecting the salaries of registrars and other officers in the North-west Territories were discussed.

THE PRINTING BUREAU. Hon. Mr. Chapleau moved the House in Committee on the Bill respecting the Department of Public Printing and Stationery.

Hon. Mr. Mitchell urged that the Government advertising should be distributed publicly with a view to securing the greatest publicity, and should not necessarily be confined to papers supporting the Government.

Hon. Mr. Blake said the principle should be observed: a Government advertisement is not a private advertisement.

Hon. Mr. Somerville (Brant) complained that a number of obscure papers received Government advertising, which could be very little value, owing to the character of the advertisements and the location of the papers.

Hon. Mr. Macdonald said it had been the practice of all Governments to reserve the advertising patronage mainly for their supporters.
