IN THE CUSTOMS

Figures for September Nearly Fifty Per Cent. More Than Year Ago

(From Wednesday's Daily) An increase of nearly 50 per cent in comparison with the same month last year and of 10 per cent as compared with August is shown by the customs

on the steamer to Ladysmith. One hundred and ten men are now at work on this property, two tunnels have been driven and a third is being opened up. The deposits are showing up well and improving with depth, the ore carrying \$6 to \$7 in gold and running 20 per cent. copper The Ikeda wharf has been finihed and a tramilne six thousand feet long from the mine to the wharf is now working. A twelve-hundred-pound sample of Ikeda ore was brought down by Mr. Ikeda for shipment to Japan.

W. J. Trethway, Cobait million-

W. J. Trethway, Cobalt million-aire and formerly of Vancouver, was landed at Collinson Bay with fifteen miners and winter supplies. Mr. Trethway has taken a bond to work a property owned by Mr. R. J. Leckie and associates of Vancouver.

ORGANIZE WHOLE PROVINCE islands, some of her passengers visited

ernment to investigate immigration asking if his instructions to notify transportation, and his reply was that he had notified all transportation companies that landing of Japanese not specifically passported to Canada would be stopped forthwith. Dr. Monro. had made this notification on instructions from Ottawa.

The committee was strongly of the opinion that if any delegate is to be sent to Japan by the Dominion Government to investigate immigration questions he should be a British Columbian and a "fair" man by which was meant one not known to be in favor of employment of Oriental cheap labor, and conversant with British Columbia labor conditions.

Telegrams were phrased with the sanction of the committee to be sent to Sir Wilfrid Laurier, to Premier McBride and to Hon R. L. Borden asking them pointed questions and demanding instant reply. The telegram to Sir Wilfrid which was sent last night was as follows:

"Asiatic Exclusion league endorses

with August is shown by the customs returns for the month of September. The receipts for duty are in excess of those of last month, but the revenue from Chinese is lower. Fifty-four Chinese paid the head tax of \$500, which swelled the receipts from Chinese to \$27,140 during September, and a still larger number paid the head tax at Vancouver. During the same month last year but one Chinese paid the entrance fee of \$500.

The returns for September at the Victoria customs house are as follows:

Ing them pointed questions and demanding instant reply. The telegram to Sir Wilfrid which was sent last night was as follows:

"Asiatic Exclusion league endorses exclusion of Japanese unless specifically passported to Canada. Existing limitations having been already exceeded, we demand the exclusion of any further immigrants this year. We also feel that the matter has already been sufficiently investigated and that the government only needs to act. We demand exclusion by legislation; not by limitation."
