One Dose for Coughs

Children cough at night? Give them Ayer's Cherry Pectoral. Often a single dose at bedtime will completely control the cough. Good for any one with a cold or cough. Good for easy cases, hard cases; good for acute cases, chronic cases. Ask your doctor to tell you, honestly and frankly, just what he thinks of this old standard remedy. No alcohol in this cough medicine. J.C. Ayer & Co., Lowell, Mass.

A healthy liver makes a healthy body. An active brain demands an active liver. No better laxative for boys and girls than Ayer's Pills. Ask your doctor about them. He knows.

NEWCASTLE TAX RATE

The civic tax bills are being issued. The poll tax this year is \$3.50, twenty-five cents more than last year. Its extreme height compared with that of most towns, is due to the fact that one-fifth of the total tax must be raised from polls. The rate on property and income this year is the same as last year—three per cent in police district and two and a half outside—Advocate.

FOND OF FISHING

A certain young lady working in a tailor shop not a mile from the Graphic office, is an ardent fisherman. Nearly every day she takes her line and goes to the wharf. Her first capture was very disappointing. After waiting patiently she saw her line suddenly pulled. Hauling it up she still kept her line in the water and hopes to catch the fish she is angling for before the summer is over.

If you can think of a good substitute for rubber your fortune is made. No, you need not suggest beefsteak, it is too expensive, and besides it is not elastic enough.

Superstitious folk, who have long associated comets with influences harmful to royalty, will now be more sure than ever that they were right.

Many people may have seen the comet but a whole lot more have laid the foundations for an attack of pneumonia by visiting the roof tops in scantiest garb in order to rubbet at the celestial visitor.
