Paine's Celery Compound points with pride to the wonders accomplished in the past in Canada, the United States, as well as in Europe. The victims it has rescued cannot be numbered, and many thousands could willingly bear testimony to their miraculous deliverance. Paine's Celery Compound is used by rich and poor, old and young, and medical men declare it to be the only safe remedy known to science to build up the human body with strong nerves and a sound healthy mind.

A Desperate Tussle at Manitoulin Island.

BREAKFAST

"By a thorough knowledge of the natural laws which govern the operations of diseastion and nustrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built us until strong enough to resist every tendency to disease. Hundreds of subtle maiadles are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortined with pure blood and a properly nourished frame."
