BURGLARIES IN THE SUBURBS. An Unsuccessful Attempt to Blow Up Safe—East Toronto Visited.

While Edward Hanlon was engaged in his garden at Little York on Thursday someone entered his house and stole \$5 out of a purse belonging to Mrs. Hanlon. Another purse containing \$20 was overlooked. The house containing \$20 was overlooked. The house adjoining, occupied by Mrs. Shea, was also entered, but nothing was missed except a dollar bill. Constable Tidsberry is looking for the burglars.

An unsuccessful attempt was made to burglarize the Worsted and Braid Company's office at the Junction on Thursday night. Burglars' tools were brought into use and the safe tampered with, but nothing is missed.

Chester Presbyterian Church held a successful picnic on the grounds of Mr. James L. Hughes. Mrs. Simpon (nee Miss Bater) was presented by Mr. Cranston, on behalf of the congregation, with a handsome easy chair.

The employes of the Canada Paint Company, at the east end of the city, presented Mr. S. C. Pouchen with a marble clock on the eve of his retiring from the position of superintendent of the Toronto factory.

Extensive alterations are now being made at Leader-lane and Colborne-street, where Mr. M. McConnell, proprietor of the Hub Hotel, intends opening a first-class, quick-service business man's restaurant. These premises, which were formerly occupied by the wholesale drygoods firm of J. A. Mc-Elroy & Co. are admirably located for the purpose for which Mr. McConnell is now having them prepared. Workmen are now busily engaged in thoroughly renovating the premises, and when completed, which will be in after days, they will present a tasty and attractive appearance. The reputation Mr. McConnell has already gained for himself as a host ensures the public that splendid accommodation and courteous treatment may be expected at his hands.

Mr. McConnell has been highly successful this season with his Peninsular Park Hotel, which is delightfully located on the shores of Lake Simcoe. This house is now in the midst of its most successful season, with new guests arriving every day. Extensive alterations are now being made

I recommended the Vegetable Discovery to her and she tried it, and the result was that it did her so much good that I had to leave the balance of the bottle with her."

WATERTOWN, N. Y., July 27.—In the St. Lawrence River, near Round Island, at 8.40 this morning the steam yacht Alert, Capt. John Bertrand of Clayton, was run into astern by the passenger steamer Islander of the Thousand Island Steamboat Company's line, Captain Alphonse Charlebois. The Alert was cut in two and sank a total wreck, while her passengers and crew, seven in number, were thrown into the water and narrowly escaped drowning.

The purser of the Alert, George Bennett, got foul of the awning, and but for his cuffs, which were seen 10 feet under water, would not have been rescued. When he was brought up after the fearful suspense of cutting and breaking the awning with hooks and oars, it required half an hour's unremitting effort to resucitate him.

The engineer, Abram Graves, was severely injured about the hips and legs. No lives were lost.
