These two Acadian Edens have got a great start in the favor of Americans, and are beyond cavil, the popular points that most tourists make for on their trips over here. I account for this not only because of the real merits of the Annapolis Valley as a resort terrision.

The above statement is correct for I saw Mr. Harris before and after he was cured. I thought it would take on month to effect a cure. However, the E. C. made a quick cure for in less than one week his hand was well again. With a cost of less than 20 cents. A trial 14 oz. box of E. C. can be had for only 20 cents.

The Annapolis Valley is certainly the garden spot of Nova Scotia, and perhaps the most fertile region in the world, and it must stand for the highest praise. It can give it here and now."
