

HOW CAN WE HUMBUG YOU?

YOU DON'T PAY A CENT

Until you know, until you see, until you feel, until you are sure. We cannot get a penny from you until you know that we have done the work, until you are willing to send it to us, until we have earned it of you as pay for what Vita-Ore has done for you. We take all the risk—we stand to lose all. You take no risk—you cannot lose anything. We match our remedy against your ailment. You must experience actual, positive, visible good before you pay for it. You must know it has helped you; you must feel better, healthier.

YOU ARE TO BE THE JUDGE

You don't pay for promises, you pay for only what has been done. You pay for the work, not words, and if the work has not been done to your satisfaction, you don't pay for it—No, not a penny! You are to be the judge, and you can easily judge. You know if you feel better, if you sleep better, if you are stronger, more active, if your limbs do not pain you, if your stomach does not trouble you, if your heart does not bother you. You know whether or not your organs are acting better, whether health is returning to your body.

IF YOU CANNOT SEE IT If you cannot feel it, if you cannot be sure of it—that ends the matter and you pay nothing. How can we humbug you when you alone have the entire "say so"? How can you hesitate to accept our offer immediately if you are ailing and need help? What excuse have you? Read the offer and do not delay another day before writing for a package.

Permanently Cured

Used Two Packages Two Years Ago, Was Permanently Cured and Has Had No Return of the Trouble.

SENATH, MO.—I have been afflicted with Rheumatism ever since 1875 and have been so bad that I was almost paralyzed; at times I could hardly move more than if I were dead. I had tried several doctors and all the patent medicines I heard of. The doctors here all told me I was incurable. They said they could give me some temporary relief, but they could not cure me. Two years ago I saw the Vita-Ore advertisement; I knew I must do something or die and I sent for the trial package. I used it according to directions and sent for three more packages. Before I finished the second package I was entirely cured. I used the third package to make the cure sure. It is now two years since my cure, and I have not felt any trace of Rheumatism since. When I sent for the trial package I could not walk across the house and I did not weigh one hundred pounds; now I weigh 145 lbs. I am sixty-two years old and to-day I feel as if I were but twenty-five. I can do all my work and my washing and walk two miles to church and it does not tire me. The people here who knew me when I was sick, ask me what I have taken to be cured and to look so well. I tell them Vita-Ore and nothing else.

Could Hardly Walk

Good Work Like This Shows Why Vita-Ore Can be Offered on Trial, the User to be The Judge.

WINNIPEG, MANITOBA.

I suffered for nine years from Systemic Catarrh a bad case of Piles and incipient Rheumatism. I am employed in the mail service and my trouble finally made it almost impossible for me to continue with my duties. I had lost flesh, could not sleep, had no appetite and was so incapacitated for work that I had to get well or resign from the service. I took every kind of medicine having the least recommendation for it, and spent lots of money on high priced doctors, some of the best in Winnipeg, but all to no avail. Sometimes I got a little better for a while, but it was only temporary and I was about to give up in despair, when I saw the Vita-Ore advertisement. I sent for it, and what was my joy to find that one package of Vita-Ore entirely cured my Piles, so that I could at once resume my carrier duties. After using two additional packages my Catarrh and Rheumatism also were cured. Within a week's time after beginning its use I had regained my lost appetite and slept the sleep of the well and healthy man. I have now regained my lost flesh so that my old friends are filled with wonder at my improvement and returned health. Vita-Ore not only relieved me of pain and saved my health, but it saved my position in His Majesty's Service as well. It was all accomplished so easily, quickly and at so small a cost, that I cannot refrain from constantly recommending Vita-Ore to all my friends who are suffering ill health as I was. It has also done wonders for my father, C. H. Cooke, who suffered untold agonies for years from protruding bleeding piles, unfitting him for business. Dr. Crawford assured him that his only hope was a surgical operation, after which he must lie about three weeks in bed in the hospital. I induced him to try Vita-Ore, which he rather reluctantly did. In three days' time he could go about, and began attending to business and in three weeks was completely cured. Ever since, he has been as firm a believer in Vita-Ore as I am. We intend to keep it in the house to use at all times.

WHAT VITÆ-ORE IS.

Vita-Ore is a mineral remedy, a combination of substances from which many world's noted curative springs derive medicinal power and healing virtue. These properties of the springs come from the natural deposits of mineral in the earth through which water forces its way, only a very small proportion of the medicinal substances in these mineral deposits being thus taken up by the liquid. Vita-Ore consists of compounds of Iron, Sulphur and Magnesium, elements which are among the chief curative agents in nearly every healing mineral spring, and are necessary for the creation and retention of health. One package of this mineral substance, mixed with a quart of water, equals in medicinal strength and curative, healing value, many gallons of the world's powerful mineral waters, drunk fresh at the springs.

Thousands of People

In all parts of the United States and Canada have testified to the efficacy of Vita-Ore in relieving and curing such diseases as Rheumatism, Kidney, Bladder and Liver Diseases, Dropsy, Stomach Disorders, Female Ailments, Functional Heart Trouble, Catarrh of any part, Nervous Prostration, Anemia, Old Sores, and worn out conditions.

USED EIGHT YEARS IN FAMILY

STERLING, ILL.—I have used Vita-Ore in my family for eight years, during which time it has saved me many doctors' bills. It cured me of Rheumatism eight years ago and the cure is permanent, as I have never had any further trouble. My daughter cured herself of Diphtheria, using nothing but Vita-Ore. I shall always keep it in the house.
Mrs. E. C. THOMPSON, 403 8th Ave.

ELDERLY PEOPLE SHOULD USE IT.

As old age approaches the necessity for such a tonic as Vita-Ore becomes each year more and more manifest, and when taken regularly by middle-aged and elderly people it displays its usefulness in various ways. There is nothing so certain in life as the weakness of old age. The young MAY need a tonic, but the old MUST use one. Old age, like youth, makes demands upon the blood for nourishment of the body, but loss of appetite and impaired digestion deprives the blood of the nutriment which should be its portion. Sound, unbroken sleep is as much needed in age as in youth, to repair waste tissues, but fortunate indeed is the elderly man and woman who can sleep soundly throughout the entire night. The enlarged volume of waste products, due to the increasing tissue-breakdown of old age, requires additional functional activity in the kidneys to eliminate them from the system, and the kidneys of the aged are apt to be refractory. Vita-Ore serves as an aid in most every disordered condition incidental to old age. It increases the appetite and desire for food at the same time that it improves the power to digest and assimilate it, so the blood may be enriched by the proper nutriment. By its beneficial action in the system it induces a sounder and more refreshing sleep, and assists the kidneys to perform the requisite action. It helps to prevent the rheumatic condition of the joints usually co-incidental with age, and by its general upbuilding powers to prolong vigor and activity to a ripe old age.

A TRIAL OF VITÆ-ORE WILL TELL YOU ITS OWN PLAIN STORY, A STORY THAT HAS MEANT COMFORT, PEACE, AND HAPPINESS TO THOUSANDS.

READ THE TESTIMONY. Read it again and again. No stronger words have ever been written about any other medicine; no better expressions are truthfully commanded by any other treatment. Vita-Ore is as different from other remedies as is pure milk from chalk and water, or the sunlight from a tallow candle. It does not take FAITH, does not take CONFIDENCE, does not take BELIEF, does not take even HOPE to cure with Vita-Ore. It takes only a TRIAL—all we ask. This medicine enters the veins of the sick and suffering person and cures, whether the sufferer believes in it or not, even whether he wants it or no. Its substances enter the blood, the vital organs, and work, work, work—a work that cures.
