

Station, which I captured in Toronto, a very great help, and regretted I had not had it all through my visit.

Our Secretary, Mrs. Freeland, accompanied me to Cold Springs and Cobourg, at which places she exhibited the pictures and gave the lecture, prepared by Rev. E. M. Hill, on our Mission Station in Africa.

The weather during the six weeks of my visit was simply perfect. The country beautiful in its richly tinted Autumn robes. Of course I took in on my journeyings the wonderful W. C. T. U. Conventions, first at Brantford, then the World's at Toronto.

A suggestion came to me, and I pass it on. At the World's Convention there were bright, sparkling one minute speeches made on Temperance; can we not have one minute speeches on missionary topics at our Monthly, Branch and Annual Meetings? Let us try it.

In closing, I must say I am glad I went. It did me good to look into the faces and grasp the hand of those who are fellow-laborers, "comrades" as our translated Mrs. Williams would say, and to feel assured that ours is a victorious cause, for "He (our Captain) shall not fail nor be discouraged till He has set judgment in the earth and the Isles shall wait for His law."

The following are the officers of the Brantford Auxiliary. Paris and Hamilton Branch, President, Mrs. (Rev.) J. Schofield; Vice-President, Mrs. Henry Oldham; Secretary, Mrs. (Dr.) Cole; Treasurer, Miss M. Sterne; and of Parkdale Auxiliary, Toronto Branch, President, Rev. J. A. C. McCuaig; Vice-President, Mrs. G. C. Card; Secretary, Miss J. Bailey, 4 Close Ave.; Treasurer, Mrs. R. H. Scott.

### *From Mrs. Moodie.*

The Superintendent of Literature would call the attention of the Auxiliaries to a New Pamphlet containing a course of 12 lessons upon China, to be used in the same manner as a Sunday school quarterly. To those who find any difficulty in preparing programmes this is a great help, being full of information. Price, 6 cents each pamphlet.

To be obtained of MRS. S. H. E. MOODIE,

185 Mance Street.

### *From Rev. W. T. Currie.*

CISAMBA, Aug. 21st, 1897.

DEAR MRS. SANDERS,—The young people are making steady progress in their studies; and otherwise learning many of life's
