**HELPS TO LIVE THE LESSON.**

Like the disciples, we should always obey our Master. The people prepared the way for the King of Kings; we should prepare our hearts for His Holy Spirit. It is a good thing to give honor and praise to God. We should reverence God's house. Jesus was always ready to help others, so should we be. The

Saviour loves to hear the praise of even the youngest.

Our Saviour wants us to honor Him. The best way to do that is by living as nearly like Him as we can. Actions speak louder than words. Let us show others that we love and honor our Saviour by being gentle, patient loving and kind.
