L'EXTINCTEUR
PATENT PORTABLE SELF-ACTING
FIRE ENGINE,
 FROM \$18 AND UPWARDS.

THIS invaluable invention of Messrs
CARRIER & VIGNON possesses the
 following advantages:—It is inexpensive, simple in
 construction, and may be used by the most inexpe-
 rienced person, perfectly harmless to life and property
 always ready for use—so portable that one man can
 carry it without hindrance to active exertion—entirely
 self-acting and self-propelling, so that all the bearer
 has to do is to direct the jet by means of the flexible
 tube—it possesses within itself the power of a Force-
 pump, and contains a chemical liquid (perpetually
 renewable) every drop of which has, as is described by
 the official report, a **MAGICAL EFFECT**. Less than
 one half the contents of **L'EXTINCTEUR** suffices to
 extinguish a very large and fierce fire at an experi-
 ment tried, so that though **NO SUPPLY OF WATER**
 be immediately available, one of the greatest calami-
 ties to which individuals or communities are sub-
 ject, may now be **AVERTED** by the use of this grand
 and simple invention. The public are referred for
 results of numerous experiments to the pamphlet on
 this subject, which may be procured of the under-
 signed agents gratis.

The Subscriber has in his possession a large number
 of testimonials from reliable sources, all testifying to
 the efficacy of **L'EXTINCTEUR**. In view of the possible
 continuance of a short supply of water, this little
 apparatus becomes a necessity to every householder,
 manufacturer, and commercial house.

For villages where no fire engine is kept, **L'EXTINCTEUR**
 is indispensable.

To farmers and persons living in isolated places,
L'EXTINCTEUR is invaluable.

It will project the fluid to a height of forty feet. It
 acts a lifetime with little care.

It is a fact well known that water will not exting-
 uish burning coal oil. The fluid projected from
L'EXTINCTEUR extinguishes burning petroleum with per-
 fect ease.

The undersigned having been appointed Sole Agent
 for Canada by the Patentees is prepared to treat liber-
 ally with persons desirous of acting as Agents for the
 sale of this useful invention, as well as to supply all
 demands. Intending purchasers and the public
 generally are invited to call and obtain price lists
 and descriptive pamphlets.
