

STEVENS

The tried and trusty STEVENS speak of outdoor life—the joys of shooting—getting near to nature. A STEVENS is the most logical arm for SHOOTERS and cannot be improved upon. Everybody knows what our famous RIFLES, PISTOLS and SHOTGUNS have accomplished in the past half century—STEVENS ARMS will always render a splendid account of themselves as long as we make them. Ask your dealer and insist on the STEVENS. If you cannot obtain them, we will ship direct, upon receipt of price.

Our 140 page illustrated STEVENS BOOK embodies a most complete and varied number of models, and is an invaluable manual of ready reference for all who are interested in shooting. Mailed for four cents in stamps to cover postage. OUR RIFLE PUZZLE is an excellent novelty. Will be sent to anyone upon request. SEND FOR IT.
