Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

This compound of the vegetable alteratives, Sarsaparilla, Dock, Sillaria, and Mandrake, with the iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflictive. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle in troublesome disorders. Affections of the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of the humors to some internal organ or organs, where they derange, and whose substance they disease and destroy. A SARSAPARILLA cures these humors from the blood. When they are expelled the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pastules, Blotches, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia Pain in the Back, Side and Head, Female Weakness, Nervous Debility, Leucorrhoea arising from internal ulceration and uterine discharges, Dropsy, Dyspepsia, Anæmia and General Debility. With their departure health returns. Prepared by DR. J. C. AYER & CO., Lowell, Mass. Practical and Analytical Chemists. Sold by all Druggists and Dealers in Medicine.

A distinct and peculiar Combination.

FELLOWS' COMPOUND SYRUP OF HYPO-PHOS-PHITES

IT contains the elements essential to the animal organization, the oxidizing agents and tonics.

In combination with the stimulating phosphorus, possessing the merit of being slightly alkaline, and is dispensed in a convenient and palatable form of a syrup. Its effects are usually visible within a few hours, and are marked by a stimulation of the appetite, the digestion, and circulation entering directly into the circulation; it tones the nerves and muscles, exerts a healthy action on the secretions; neither disturbs the stomach nor injures the system under prolonged use, and may be discontinued at any time without inconvenience.

In a word, it possesses the stimulants to arouse the strength, the tonics to retain it, and merit of a high degree.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES

SPEEDILY AND PERMANENTLY CURES

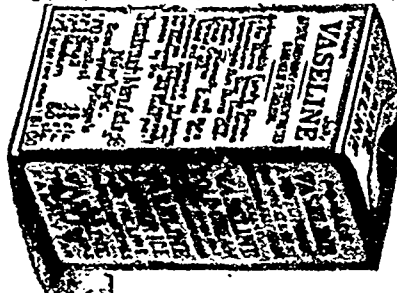

Congestion of the Lungs, Bronchitis, Consumption, Nervous Prostration, Shortness of Breath, Palpitation of the Heart, Trembling of the Limbs and Limbs, Physical and Mental Depression, Loss of Appetite, Loss of Energy, Loss of Memory.

And will rapidly improve the weakened functions and organs of the body, which depend for health upon voluntary, semi-voluntary, and involuntary nervous action. SEND FOR A PAMPHLET.

VASELINE TOILET SOAP.—EXCELLENT. BLEND, ANTISEPTIC. 25 CENTS. Pamphlets, with Medical References and Recommendations, Post Free. Beware of imitations and adulterations trading upon the Popularity of VASELINE. For sale by druggists. None genuine except in our packages. CHESEBROUGH MANUFACTURING CO. (New York) MANUFACTURERS. Canada Depot: 240 York Street, Montreal.

UNDER THE NAME OF VASELINE, PETROLEUM IS GIVEN TO MEDICINE AND PHARMACY IN AN ABSOLUTELY PURE, HIGHLY CONCENTRATED, AND UNOBJECTIONABLE SHAPE. ALL ACID, GROSS, TASTE, COLOR, AND OTHER IMPURITIES, WHICH HAVE HITHERTO PREVENTED THE USE OF PETROLEUM IN MEDICINE, ARE ENTIRELY ELIMINATED, AND THE VASELINE IS AS HARMLESS AND DELICIOUS TO USE AS CREAM. For Eczema, Tetter, Salt Rheum, Chilblains, Burns, Wounds, Hemorrhoids, Piles, and all Irritations and Eruptions of the Skin, It has received the unanimous endorsement of the Medical Press and Profession, and is the most valuable remedy ever discovered for the relief of the above named ailments. 2 Sizes: in Bottles, 25 and 50 cents; in lb. Tins, \$1.00. As an emollient, Vaseline is superior to any other substance yet discovered. Its remarkable softening and soothing properties, render it of great value in the treatment of the various eruptions of the skin, such as eczema, tetter, and other eruptions. It will keep the skin clean, moist, and another than any cosmetic ever invented, and will preserve the youthful beauty and freshness of the skin in old age.

Grand Medal at the Philadelphia Exposition. Registered. VASELINE. Silver Medal at the Paris Exposition. Trade Mark.

Scientific and Useful.

FRECKLE LOTION.—Muriate ammonia, one dram; cologne water, two drams; distilled water, seven ounces; mix and use as a wash. It contains nothing injurious.

COLDS and sickness are frequently produced by washing bedrooms during the winter. In cold and damp weather purchase a quart of common sand, make it very wet, and sweep it with a stiff brush all over the room. The sand may be used for months by washing it.

BAKED CHOCOLATE CUSTARD.—Scald a quart of milk, stir in four heaping table-spoonfuls of grated chocolate, and simmer two minutes to dissolve it. Beat up the yolks of six eggs with one cup of sugar and add to the milk and chocolate. Stir for a minute, then add vanilla flavouring and pour into dish.

CABBAGE.—Like most green vegetable, cabbage contains only one-tenth of its weight in solid substance, the other nine-tenths being water. It consists chiefly of albumenoid substance, with no fat or oil, and very little starch; consequently, cabbage should be eaten with fat substances, as dripping, or bacon, to supply the deficiencies.

GENUINE SCOTCH OATMEAL CAKES.—Ingredients: oatmeal, water and salt. Mix very stiff into oblong cakes one-eighth inch in thickness, and bake on boards before an open fire. By the addition of one or two eggs and substituting milk for the water, these cakes can be made more appetizing; but this is, of course, a departure from the original recipe.

CLEANING COMPOUNDS.—Mix one ounce of borax and once ounce of gum camphor with one quart of boiling water. When cool, add one pint of alcohol; bottle and cork tightly. When wanted for use, shake well and sponge the garments to be cleaned. This is an excellent mixture for cleaning soiled black cashmere and woollen dresses, coat collars and black felt hats.

THE "FAMILY MEDICINE CHEST."—This should contain senna, Epsom salts, Turkey rhubarb, jalap, magnesia, carbonate of soda, tartaric acid, alum, castor oil, aniseed, essence of peppermint, ipecacuanha, nitre, paregoric, starch, mustard, diaclylon plaster, court plaster, a box of spermaceti ointment, oatmeal and linseed meal. These are all medicines which may be used for children. For adults, a box of compound rhubarb pills, calomel pills, scidlitz powders, blue pills, spirits of hartshorn, spirits of lavender, sal volatile, quinine, tincture of rhubarb, ether, some lint, and old linen, should always be kept ready to hand. The quantities must depend upon the number in family, but a few ounces of salts and senna are sufficient, because they can be readily obtained.—From the Children's Dressmaker.

CURE FOR A FELON.—I believe it is better to scatter a felon, thereby saving pain and trouble. The following prescription I had from an old lady, with the affirmation that in the course of a long life she had never known it to fail if applied in season, and I can add the same, having had an opportunity to test it several times in my own family—the last time, only the past week, and with complete success. The first time I tried it the felon had been in progress several days, and became very painful, with red streaks running up the arm, while in the armpit the glands were swollen, forming what is commonly known as kernels; but after two days' application of the plaster, the swelling and pain ceased, and the felon was 'no more.' Take equal parts of hard soap, salt and spirits of turpentine. Shave the soap and mix with the other ingredients, and apply as a plaster. Some use kerosene, where turpentine is not at hand, but I prefer the turpentine. If the skin is thick it is well to soak in hot lye before applying the plaster.

MESSRS. T. MILBURN & Co. Dear Sir, —I have been troubled with dyspepsia for seven years or more, and was so bad that I had often to get up in the night and dissolve soda in water and take it before I could go to sleep. I saw your Burdock Blood Bitters advertised, and I got a bottle and took one teaspoonful three times a day the first day, and it did not help me; then I took three tablespoonfuls three times a day for four days, and that gave me great relief. I have taken one bottle, and think I am cured of dyspepsia or sour stomach, as it is sometimes called. I was also troubled with a slight attack of inflammation of the kidneys, and I think the Burdock Blood Bitter helped me of that. If I could only get another bottle I think it would cure me of that terrible pain in my back, but can't get it here. With thanks for the benefit already received, I remain, yours, JONATHAN TULLER.
