PERFECT DIGESTION

INSURED.

ADAMS' PEPSIN
TUTTI-FRUTTI.

Office of Dr. E. Guernsey, 528 Fifth Ave.
New York, October 23, 1891.

ADAMS & SONS Co.

Physiology teaches that a certain amount of saliva secreted by the salivary glands of the mouth, and mixing with the food before or after it passes into the stomach, is essential to digestion. The chewing of your Tutti-Frutti Gum, before or after a meal, especially when combined with so valuable a digestive as "Armour's Pepsin," not only increases the flow of saliva but adds so materially to its strength as to insure a perfect digestion at the same time correcting any odor of the breath which may be present.

Sold by all Druggists and Confectioners in 5c. Packages, or for box of assorted samples which will be sent by mail, postage paid to any address on receipt of 25 cents.

I CURE FITS!

When I say I cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible remedy. Give EXPRESS and POST-OFFICE.

A FAMILY MEDICINE

For constipation, dyspepsia, sluggishness of the liver, bilious attacks, jaundice, sick headache, rheumatism, malaria, fevers, and the common complaints of the stomach and bowels, Ayer's Cathartic Pills are most efficacious. They are sugar-coated, contain no injurious drug, and are purely vegetable in their composition. The most popular and well known medicine in use, doctors everywhere recommend them. Dr. Connors, Centre Bridge, Pa., writes: "Having long used Ayer's Pills with good results, I can confidently recommend them above all others."

"Ayer's Pills are the best medicine I ever used; and in my judgment no better general remedy could be devised. I have used them in my family and caused them to be used among my friends and employes for more than twenty years. To my certain knowledge many cases of the following complaints have been completely and permanently cured by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colds. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, will prove an absolute cure for the disorders I have named above."—J. O. Wilson, Contractor and Builder, Sulphur Springs, Texas.
