The Rev. Alfred Fowler, B.D., the Synod's evangelist for Manitoba, is conducting services with the pastors' assistance for a couple of weeks at Keewatin. After speaking for eight months continuously in different parts of the Province, Mr. Fowler took a rest during the warm weather, and is now at work again. The work so far has been most encouraging in its results in the mission fields. Mr. Fowler has engagements for months to come.

The annual meeting of the Woman's Foreign Mission Society concluded its labors at Truro recently. The following appropriations were made for Foreign Missions: New Hebrides, \$1,000; St. Lucien, \$1,200; Trinidad, \$3,500; Foreign Mission Board, \$1,000 and \$1,200 for the Jubilee Mission Fund. The report of the Secretary of Mission Boards show, an increase of 18 societies during the year, making a total of 76 and a membership of 1,950.

At a recent meeting of the Ottawa Presbytery, Rev. Robert Gamble, of Wakefield, presented a report on French work. Rev. Dr. Armstrong, of Ottawa, speaking in this connection, suggested to the graduates of the Montreal Presbyterian college the advisability of learning French as well as English in order to better meet the requirement of this particular work. The French graduates greatly increased their usefulness by the mastery of both languages.

THE PREACHER'S TRIAL.

AN INTERESTING CHAT WITH THE REV. W. J. CHAPIN.

In the Strain of Pulpit Labor He had Overdrawn his Health Account—How he met the Crisis and Returned to his Duties with Renewed Health.

From the Springfield, Ill., Journal.

In the pretty village of Chatham, Ill., there lives a Baptist divine whose snow white hair is the one outward sign that he has encroached upon the days beyond the allotted three score years and ten. His clear eye, keen mental faculties and magnificent physique all bear witness to a life well spent. This pioneer in God's eternal vineyard is Rev. W. J. Chapin, whose 72 years are crowded with noble deeds in the Christian ministry.

To a Journal representative who asked him something of his career in the ministry, Mr. Chapin talked in an interesting strain, and said that, in spite of the indications to the contrary, his life had not all been sunshine and good health.

"As my present appearance testifies, I was fortunate in the possession of a very vigorous constitution. But as is too often the case, I over-estimated my physical resources, and when it was too late learned that I had overdrawn my health account. The crisis came about eighteen years ago. At the time I was preaching the gospel from the pulpit, and I became suddenly so ill that I was compelled to stop before my sermon was finished. It was a bad case of nervous prostration, and for a time my friends and family were greatly exercised over my condition. Complete rest was imperative, and Mrs. Chapin and I planned and took a long trip. My health was sufficiently restored to resume work, but I was not the same man. I felt absolutely worthless physically and mentally. I had so lost control of my muscles that my fingers would involuntarily release their grip upon a pen, and my hand would turn over with absolutely no volition on my part. About two years ago, to intensify matters, I was seized with a severe attack of la grippe. I recovered only partially from it and had frequent returns of that indescribable feeling which accompanies and follows that strange malady. I looked in vain for something to bring relief and finally I read an account of Dr. Williams' Pink Pills for Pale People. Something seemed to tell me that they would do me good and I commenced using them. They gave me additional strength from the start and toned up

my system from a condition of almost absolute prostration so that I was able again to resume my duties as a minister. The improvement was simply marvellous, and the credit is due Dr. Williams' Pink Pills.

Mrs. Chapin was present during the conversation and said: "I don't think Mr. Chapin could ever have resumed his preaching after he had the attack of la grippe had it not been for Pink Pills. They did him so much good that I decided to try their efficacy on myself. I had been troubled for years with what our physician, Dr. Hewitt, called rheumatic paralysis, and since taking the Pink Pills I have been stronger and the pain in my right arm and hand is less acute. We keep the pills in the house all the time, and they do me a great deal of good in the way of toning up my system and strengthening me."

In all cases like the above Pink Pills offer a speedy and certain cure. They act directly upon the blood and nerves. Sold by all dealers, or sent by mail, postpaid, on receipt of 50 cents a box, or \$2.50 for 6 boxes, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N. Y.
