WALKS ABOUT ZION.

BY REV. JOS. ELLIOT.

"Among good books for devotional or practical religious use we may mention with recommendation 'Walks about Zion,' a series of brief, interesting and practical addresses on religious topics. — *New York Independent*.

"Clear in thought, forcible in expression, and cogent in argument and appeal." — *Halifax Chronicle*.

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in this community as an acknowledged exponent of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We venture to be reminded by these brief and terse discourses of our dear old favourite, John Foster. — *Presbyterian Standard*. Witness."

12-page Cloth, 90 cents, in paper, 50 cents.
Mailed to any address, free of postage, on receipt of price.

A HOME DRUGGIST TESTIFIES.

Popularity at home is not always the test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts druggists should be of interest to every sufferer:

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without relief. Last winter, during which I took Ayer's Sarsaparilla, by the use of two bottles of which I was completely cured. Have sold large quantities of my Sarsaparilla, and it still retains its wonderful popularity. The many rheumatic cases it has effected in this way does not me that it is the best blood medicine ever served to the public. — E. F. HARRIS."

Later St., Rockland, Mass., May 10, 1872.

GEORGE ANDREW, overseer in the Lowell Carpet Corporation, was for over ten years before his removal to Lowell afflicted with Salt Rheum in its worst form. His sensations affected a portion more than half the surface of his body and limbs. He was entirely cured of Ayer's Sarsaparilla. — See certificate in Ayer's Almanac for 1872.

An Old Soldier's

EXPERIENCE.

"Calvert, Texas,

May 3, 1882.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march to camp to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases. — J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.
