

THE SUN.

WEEKLY, AND DAILY FOR 1876.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavour to describe them fully, faithfully and fearlessly.

THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavour to keep it fully up to the old standard, but to improve and add to its variety and power.

THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always we trust, treated in a clear, interesting and instructive manner.

It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed.

The Agricultural Department is a prominent feature in the WEEKLY SUN, and its articles will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, and the WEEKLY SUN is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knaves, and seeks no favors from their supporters.

The markets of every kind and the fashions are regularly reported in its columns.

The price of the WEEKLY SUN is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of the paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the WEEKLY SUN at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year.

We have no travelling agents. THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.20 a year. Postage prepaid. No discounts from this rate.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription, postage prepaid 55 cents a month, or \$6.50 a year. To Clubs of 10 or over, a discount of 20 per cent.

THE SCIENCE OF HEALTH.

PROSPECTUS OF

A New Independent Health Monthly.

The object of it is, to teach the people all that pertains to the preservation of Health, the prevention of Diseases, and how to live in order to develop normally in body and mind.

It is not a Medical Journal, but PHYSIOLOGICAL and HYGIENIC, a family magazine, containing just that practical information on the laws of Life and Health, useful to every member of the household, and cannot but be worth many times its price to every family in which it is read.

Quack Medicines, and quack doctors will be exposed, and swindlers will not be allowed to impose on the people where the SCIENCE OF HEALTH is generally circulated.

This Journal will be the exponent of all known means by which Health, Strength, Vigor, and a Long Life, may be attained by using and regulating those agencies which are always accessible and so vitally related to Health and the treatment of Diseases, including Air, Light, Temperature, Bathing, Eating, Drinking, Clothing, Recreation, Exercise, Rest, Sleep, Electricity, Mental Influences, Social Relations, and all Normal agencies and Hygienic materials. All that is required to keep well and to preserve health, is a knowledge of the uses and misuses of these agencies.

The SCIENCE OF HEALTH will be the best exponent of the scientific principles of these subjects, and not the organ of any particular institution, or of the professional practice of any one but devoted to the best interests of the whole people.

Terms.—Published monthly at \$2.00 a year in advance; single numbers, 20 cents. Clubs of ten at \$1.50 each, and an extra copy to agent; we are offering the most liberal list of Premiums. LOCAL AGENTS wanted everywhere, and cash commissions given. Address all letters to
