

Some Folks

have much difficulty in swallowing the huge, old fashioned pill, but anyone can take Dr. Pierce's "Pleasant Purgative Pellets," which are composed of highly concentrated vegetable extracts. For diseases of the liver and stomach, sick and bilious headache, etc., they have no equal. Their operation is attended with no discomfort whatever. They are sugar-coated and put up in glass vials.

"A cold snap"—The plumbing business.

It is a Fact

well established that consumption, if attended to in its first stages, can be cured. There is, however, no true and rational way to cure this disease, which is really a serious ulceration of the lungs, except through purifying the blood. Keep the liver in perfect order and pure blood will be the result. Dr. Pierce's "Golden Medical Discovery," a purely vegetable compound, does all this and more: while it purifies the blood it also builds up the system, strengthening it against future attacks of disease. Ask for Dr. Pierce's "Golden Medical Discovery." Take no other. Of druggists.

A flat failure—Trying to keep house in one with comfort.

Decline of Man.

Mental or organic weakness, nervous debility and kindred delicate diseases, however induced, speedily and permanently cured. For large illustrated book of particulars enclose 10 cents in stamps and address, World's Dispensary Medical Association, 663 Main Street, Buffalo, N. Y.

A poultry exhibition—A woman stoning a hen.

Opium and Whisky.

There is no curse to the human family as great as the intemperate use of either opium or whisky, nor is there a habit formed as difficult to remove; in fact it cannot be classed as a habit after certain stages, as it then becomes a disease, as marked in its characteristics as the most deadly of maladies. M. V. Luben, recognizing the ravages that were being made by these destroyers of peace, home and happiness, some years ago commenced to devote his whole study to the peculiarity of the condition of sufferers from these habits, and after much labor made important discoveries that have been the means of curing many cases of drunkenness, opium, morphine, chloral, and kindred habits. He has been philanthropic enough to issue a book upon the subject, which he sends free to all applicants. M. V. Luben's address is No. 47 Wellington St. East, Toronto, Canada. We have no hesitancy in commending him, as we know him to be an honorable gentleman. Note—Luben's Medicines or cure for the above habits may be given in tea or coffee without the knowledge of the person taking them, if so desired. Send your address for book and testimonials from those who have been cured.

A.P. 271.
