Learn to Stuff Birds ! Learn Taxidermy ! Learn To-Day !

Because success is guaranteed from the start! Because the work is pleasant as well as profitable. A collection of birds is both beautiful and valuable. Birds, animals, fish, reptiles, etc., may be preserved with little trouble as records of the day's chase.

Boys, girls, men and women can do nice work from the start and can become expert in one week. Mounted birds find a ready sale; besides you can make money teaching your friends. Every school should have a collection of native birds and animals.

Taxider is a compound of wonderful embalming power. It is not necessary to skin birds or animals when using Taxider. Birds when mounted with Taxider become as hard as stone, and will last a thousand years undisturbed by moth or time. No tools required except those that everyone has. One box of Taxider is enough to mount 30 birds the size of a quail, with full instructions for mounting everything. Also instructions for tanning skins for rugs, etc. Price \$1.

SEE WHAT ONE MAN SAYS:

TACOMA, Wash., Aug. 9, 1898.—Mr. F. L. ACKLEY: I received the box of Taxider some time ago. It works fine. I have just finished mounting a beautiful swan. I have already a nice collection of birds, and a class of seven boys. It is really wonderful how it works. The very first bird I mounted was a success. Please find enclosed money order for one dozen boxes. Please rush, as I am in quite a hurry. Thanking you for past favors, I remain, truly yours, J. H. FLANDERS, Tacoma, Wash.

I have letters like this from hundreds of people, and all are having success. Send for a box to-day. You can learn in one hour. Remember, success is guaranteed from the start. Liberal discounts to agents. Taxider is manufactured by
