Physicians Cornered!

I suppose there is not in the whole of a Physician's experience, anything in human suffering which calls forth his sympathy, and pity, to such an extent, as to witness the excruciating pains of a poor mortal suffering from that fearful disease, Rheumatism. Heretofore there has been a considerable diversity of opinion among medical men as to the true character of this disease. Some locating it in the fibrous or muscular tissues of the system, and others viewing it as an acute nervous disease; but it is now generally admitted to be a disease arising from a poison circulating in the blood, and further it is admitted that rheumatism can never be thoroughly cured without exterminating such poisonous matters from the blood by a constitutional internal remedy. We feel confident that none will feel better satisfied, and rejoice more, than the conscientious physician, who has found out that a true cure for this stubborn disease has been discovered. The following testimony from a gentleman of standing, and high respectability, and well-known to the Canadian public, cannot fail to satisfy all that the DIAMOND RHEUMATIC CURE is a wonderful Medical Discovery.

MR. ISAACSON'S ENDORSATION.

MONTREAL 21st March, 1874.

Messrs. DEVINS & BOLTON.

Dear Sirs.—I with pleasure concede to the agent's wish that I give my endorsement to the immediate relief I experienced from a few doses of the DIAMOND RHEUMATIC CURE. Having been a sufferer from the effects of Rheumatism, I am now, after taking two bottles of this medicine, entirely free from pain. You are at liberty to use this letter, if you deem it advisable to do so.

I am, Sirs, yours respectfully,

JOHN HELDER ISAACSON, N.P.

This medicine is an Infallible Specific, for removing the cause, chronic, acute, or muscular Rheumatism, Lumbago, Sciatica, Nervous Headache, Neuralgia of the head, heart, stomach and kidneys, Tic Douloureux, nervousness, flying pains, twisted joints, swollen joints, pain in the back and loins, weakness of the kidneys, tired feeling, languid, weary prostration, and all nervous and chronic diseases.

In simple cases sometimes one or two doses suffice. In the most chronic case it is sure to give way by the use of two or three bottles. By this efficient and simple remedy hundreds of dollars are saved to those who can least afford to throw it away as surely it is by the purchase of useless prescriptions.

This medicine is for sale at all Druggists throughout the Province. If it happens that your Druggist has not got it in stock, ask him to send for it to
