A HARD WORKER.

One of the "Kings" of the Coast.

Mrs. L. S. King, of Concord, Cal., is state organizer and lecturer for the W. C. T. U. of California. She had been carrying on her work without using proper food to sustain her body, and says:—"Before I found Grape-Nuts food I was suffering seriously with indigestion and my mind had become sluggish and dull, the memory being very much impaired.

"Hearing of Grape-Nuts as a food for rebuilding and strengthening the brain and nerve centres, I began its use. In two months I have gained four pounds in weight, never felt better in my life, and find a most remarkable improvement in my memory and mental activity. I never stood the fatigue and pressure of work as well as I do now. A short time ago I went to a new county, worked twenty-two days, almost day and night, without rest, and came home feeling fine. You may be sure I take Grape-Nuts food with me so that I may depend upon having it."
