WEAR STOMACH, OPPRESSION AFTER EATING, &c. -Indigestion takes innumerable shapes. Sometimes the stomach becomes so sensitive that it rejec s even the simplest food; and in other instances, digestion is so painful that the patent is afraid to indulge the appetite. It is in cases like these that the tonic properties of BRISTOL'S SUGAR-COATED PILLS ase most strikingly manifested. Mrs. Margaret Mc-Erroy, of Troy, New York, testifies that for five years, she was unable to digest solid food-taking nothing but jellies, rice and arrow-root—and even these caused her so much uneasiness, that she was obliged to limit the quantity to a couple of ounces, three times o day. She was terribly emaciated, and, to use her own words, bardly cared to live.' After having tried more than twenty modes of treatment, she at length commenced taking BRISTOL'S SUGAR COATED PILLS, and she states the result as follows: 'I am thankful to say that I am quite well. I eat beartily, sleep comfortably, have recovered my flesh, and feel no pain. All this I owe to BRISTOL'S SUGAR COATED PILLS, and I carnestly recommend them to all who suffer from weak stomach. They are aure.'

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARIL-LA shoul we used in connection with the Pills.

INDOLENT Sores .- Vitality is so weak in some systems, that any ulcerous diseases with which they are afflicted, lapse almost immediately from the scute or inflammatory phase into the chronic condi-tion, becoming sluggish and indolent. But they are not the less dangerous on that account, while they are much more difficult to deal with. In no class of cases has BRISTOL'S SARSAPAR LLA been ad. ministered with more signal success than in these. It supplies to the system and the constitution the vigor necessary to fight the disorder, while its antic properties exercise a direct and most beneficial effect upon the scees. It is important to use BRIS. paintings by eminent masters, are of far greater value TOL'S VEGETABLE PILLS at same time with the Sarsaparilla, as they carry off from the system depraved and vitiated humors set free by the Sarsaparilla and in this way haster a cure.

ENDURING POPULARITY .-- If ever a luxury possessed the elements of enduring popularity, that luxury is MURRAY & LANMAN'S FLORIDA WATER. Its freshness, its purity, its delicacy, its unchangeableness, its wholesomeness, and its disin-fectant properties in the sick room, place it far it advance of every other perfume of the day. No other toilet water is like it; nothing can supply its place; no one who uses it can be persuaded to use any other perfume. Hence the amazing rapidity with which its sales increase. It is so far superior to all other perfumes of this hemisphere that it may be said to have no second: it stands alone, and after being thirty years before the people, is now making more rapid progress than ever before.

The Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each

bottle. Without this none is genuine.

GOOD FOR HORSES. -Mr. Morrison, agent of the Phila. Lightning Rod Co. baving occasion to employ a great number of horses, found Henry's Vermont Liniment superior to any gargling oil he had ever used. It was not originally intended to be used. It was not originally intended to be used in this way, but was designed for the pains and aches to which human flesh is heir. It cures toothache, headache, neuralgia, and the pains and diseases of the bowels. It is a purely vegetable medicine, and no harm can result from the use of it.

The New York Tribune says, the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The

Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfells have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physiciaus, and are warranted to produce an immediate beneficial effect. Facts are stubborn things. . . . I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y."

. . Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.

Thy friend, ASA CURRIN, Philadelphia, Fa." " . . . I have been a great sufferer from Dys.

pepsis and had to abandon preaching. . . . T e Plantation Bitters have cured me. REV. J. S. CATHORN, Rochester, N.Y."

"... Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily

increasing with the guests of our house. SYKES, CHADWIOF & Co., Preprietors Willard's Hotel, Washington, D. C. ". . . I have given the Plantation Bitters to

hundreds of our disabled soldiers with the most astorishing effect. G. W. D. ANDREWS, Suporintendent Soldiers' Home, Cincinnati, O.

". . . The Plantation Bitters have cared me of liver complaint, with which I was laid up prostrate and had to abandon my business.
H. B. KINGSLEY, Oleveland, O."

". . . The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway."

NEW BEDFORD, Mass., Nov. 24, 1863. Dear Sir : - I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters .- Respectfully, JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq, of 159 West 14th Street, N.Y, says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles.
