**Mercantile Summary.**

NEWFOUNDLAND claims to own close upon  
100,000 tons of shipping.

ONE of Quebec's oldest merchants passed  
away last week, Mr. Matthew Moodie, who has  
been well known as a dry goods merchant there  
for the past 35 years.

A RECENT fire in Pictou, N.S. and the greater  
fire in New Glasgow to which we lately referred  
are believed to be the work of plundering incen-  
diaries. A man and woman travelling about  
with a waggon in gipsy style were arrested  
at Truro last week on suspicion and committed  
for trial.

It appears from a return to an address by the  
House of Commons that the value of mill and  
factory machinery imported into the Dominion  
is six years to the 30th June, '73, was \$1,445,842  
and of other machinery \$2,578,354. The former  
is free, the latter dutiable, contributing \$386,  
346.21 to the revenue.
