

In the train

of diseases that follow a torpid liver and impure blood, nothing can take the place of Dr. Pierce's Golden Medical Discovery. Nothing will, after you have seen what it does. It prevents and cures by removing the cause. It invigorates the liver, purifies and enriches the blood, sharpens the appetite, improves digestion, and builds up both strength and flesh, when reduced below the standard of health. For Dyspepsia, "Liver Complaint," Scrofula, or any blood-taint it's a positive remedy. It acts as no other medicine does. For that reason, it's sold as no other medicine is. It's *guaranteed* to benefit or cure, or the money is refunded.

MUCH BETTER, Thank You!

THIS IS THE UNIVERSAL TESTIMONY of those who have suffered from CHRONIC BRONCHITIS, COUGHS, COLDS, OR ANY FORM OF WASTING DISEASES, after they have tried

Reddaway's Solid Woven "Patent" CAMEL-HAIR BELTING

Is as straight and as uniform in section and density as it is possible to make a belt. After working some time, the wearing faces of Camel Hair Belts obtain a smooth, finished appearance, and grip firmly; not fray on the edges; might be cut up the middle with a saw, and the two narrow belts so made set to work again; have but one joint, and being of uniform thickness throughout will run with remarkable truth, and do very heavy work; is the only satisfactory belt in wet places, in Dye Houses, Refineries, in steam, water, or great heat.

Breaking strain of 6 in. Camel Hair Belt is 14,181 lbs. Breaking strain of 6 in. Double Leather is 7,522 lbs. We caution users against spurious makes of belting offered under deceptive names, intending to convey the idea that it is our Camel Hair Belting.

CAMEL HAIR BELTS are unexcelled for "Dynamos," Saw Mills, Paper Mills, Pulp Mills, Dye Houses, Sugar Refineries, Cotton Mills, Woolen Mills, Machine Shops, Agricultural Machines, Pumping Machinery, and Main Driving generally.

A REMARKABLE STORY

Already famous in Europe, entitled "Four Days," from the Russian of Garshin appears in the double summer number of POET-LORE—June 15th. It is a vivid picture of a significant episode in the life of a modern soldier. Two short stories of a very different kind follow—"Faded Leaves," and "Green is Hope," translated from the Norse of Alexander Kielland. The same number of POET-LORE contains a hitherto unpublished letter of John Ruskin's on "Wages"; and critical papers on "Two Versions of the Wandering Jew," by Prof. R. G. Moulton; "The Text of Shakespeare," by Dr. Horace Howard Furness; "An Inductive Study of 'As You Like It,'" by C. A. Wurtzburg; and a "Study Programme: Magic, Out-door and Human Nature in Literature," of practical use to Reading Circles or for the home study of Literature.

A COMPLETE PLAY—"Harold," by the distinguished German dramatist, Ernst von Wildenbruch, will be given, translated into English verse, with the author's sanction, in the second double number of POET-LORE—Sept. 15th. This drama is on an English theme, is full of action, and is a marked success on the German stage (copyright applied for). A portrait of the author, and a critical and biographical account of him, will also be given.
