

CONFERENCE ON DISARMAMENT

CHEMICAL WEAPONS

WORKING PAPERS OF THE

Ad Hoc COMMITTEE ON CHEMICAL WEAPONS 1991

Committee on Chemical Weapons (AHOCW) during its 19th sessions from 28 January 1991 to 23 August 1991. Also included are working papers from the intersessional meetings of the AHOCW which took place from October 1991 to December 1991. The volume is compiled to facilitate discussions and research on the issue of Chemical Weapons.

Not all numbered working papers from the AHOCW have been reproduced here. Some papers were also tabled in plenary and given a CD/number. These can be found in the appropriate annual volumes for plenary official documents (OP). Other papers were of such transitory nature that they were not reproduced.

Note that the index is a chronological listing while the documents themselves are arranged in numerical order by CD/CW/WP number.
