My dear Mr. Wilson,

1st February 1938

It is so very kind of you to suggest  
that I should lunch at the bank with the  
directors, and of course I should like so  
much to avail myself of this privilege.  
My dear

Would Thursday the 8th February be  
a convenient day for you?

Yours very sincerely,

Morris Wilson, Esq.,  
The Royal Bank of Canada.
