

TO THE TEACHERS OF ONTARIO

The Department of University Extension of the Provincial University has been organized to meet the needs of the teachers of this Province who are ambitious to improve their status in the profession. It is, perhaps, unnecessary to point out to the majority of teachers that improvement in academic and professional qualifications is greatly to their own interest.

Particulars of a new course arranged especially for teachers will be found in this Summer Session Calendar. This course is planned to allow such options as will make it a particularly desirable one, not only because it leads to the degree of Bachelor of Arts but also because it should prove of immediate benefit in the classroom. To take this course it is not necessary that you should discontinue your teaching even for a short period. The course can be taken entirely by Summer Sessions, Correspondence Work, and Teachers' Classes.

Teachers who hold First Class certificates are allowed credit, if their standing is satisfactory, for the subjects of the Upper School (formerly Faculty Entrance) Course which correspond to the subjects of the First Year. Teachers who hold Second Class certificates are advised, in their own interests, to secure a First-Class certificate before going on for the B.A. Degree. This Summer Session Calendar contains, of course, no reference to the various Summer Courses offered by the Ontario Department of Education. Particulars of these can be obtained from the Deputy Minister, Department of Education, Parliament Buildings, Toronto.

If teachers who desire suggestions or advice as to the best means of pursuing advanced study will write to the Extension Office, stating fully their present academic standing, they may be assured of a prompt and cordial reply. Letters are always answered fully, carefully, and cheerfully. Do not hesitate to write for any information that you may require.

Faithfully yours,

W. J. DUNLOP,
Director, University Extension.
