March 11th., 1925.

Reverend E. I. Rexford, D.C.L., LL.D.,  
Diocesan College,  
University Street,  
Montreal.

Dear Dr. Rexford,

I am sending to you by this mail, registered, record no. 273/25 which contains the correspondence in regard to the requirements, academically and professionally, of those university students who are proceeding to the high school diploma.

I have not had time to read the letters myself because of the unusual work attendant upon the Session. I think it best, therefore, to let you have communication of these documents at once.

I expect to be in Montreal within the next two weeks when I will see you, at your convenience.

Yours faithfully,

True Copy,
