

June 5th, 1924.

Sir Vincent Meredith, Bart.,
Bank of Montreal,
Montreal.

Dear Sir Vincent:-

At a meeting of the Electoral Board held in my office at ten a. m. yesterday it was unanimously decided to recommend to the Board of Directors of the Royal Victoria College and to the Board of Governors of McGill University that Dr. Jonathan C. Meakins, now at Edinburgh, be offered the position of Professor of Medicine, Director of the Department of Medicine and Head of the University Clinic to be established in the Royal Victoria Hospital.

I may add that at to-day's meeting of the Board of Governors of the University this recommendation was accepted and I was authorized to offer formally the position to Dr. Meakins. This has been done by cable.

Yours faithfully,

Principal.
