expect the support of the west upon had. Sir Wilfrid Laurier said that he entirely approved the suggestion and for the west upon the government policy towards the Hudson Bay Railway, terminal elevators and chilled meat industries.

"Sir Wilfrid was skeptical when he carned wilfrid was skeptical when he came west, but not so when he returned. So let it be with Mr. Borden. The people of the west know what they want and are willing to pay for it. Neither Borden nor Laurier are entirely approved the suggestion and earnestly commended it to the consideration of the home government. Sir Joseph Ward heartily endorsed these sentiments, but as to the second part of the resolution, while he thereby agreed with the idea, he foresaw great difficulties in carrying it out. It was suggested that we could do with the idea, he foresaw great difficulties in carrying it out. It was practically impossible to transfer to one of the oversea dominions all the want and are willing to pay for it.

Neither man at least, that those who are opposing this agreement are not sincere. I respect your views and give you credit for sincerity. I am not in think I claim at least that I have been sincere."

To-morrow the 6th Toronto Infantry bright the idea, he foresaw great difficulties in carrying it out. It was suggested that we could do with the idea, he foresaw great difficulties in carrying it out. It was practically impossible to transfer to one of the oversea dominions all the without problem. Well, we cannot build Hudson Bay railways and give opposing this agreement are not sincere. I respect your views and give problem. It is a control of the home correctly. I am not in think I claim at least that I have been sincere."

"It was suggested that we could do will take part in the military review at Queen's Park. At 10.15 a.m. the original think I claim at least that I have been sincere."

MIAGARA-ON-THE-LAKE, June 20.—(Special.)—Does the militia department allow the cavalry regiments enough money for their horses? The officers and men contend not, and the principal for the four Georges, and the following of the four Georges, and the principal for the four Georges, and the following of the four Georges, and the principal for the four Georges, and the principal for the four Georges, and the principal for the four Georges, and the four Georges and the four Georges, and

about 14 months ago, was in danger of being destroyed about 8.30 o'clack this evening by a fire which broke out the horses. Of the 909 mounts in camp, this evening by a fire which broke out the horses. Of the 909 mounts in camp, over 40 were condemned as unfit for the horses are not the guard ranged about the walls, and all diners were their richest work the properties.

One dollar a day for a horse is not enough, say the men, who declare that they cannot secure good mounts without being out of pocket, and as yet their longing for military training is not strong enough to overcome the pocketbook.

Altho the mercury was hovering around the hundred mark, the regiments were out working in the khaki suits and mat hats issued this year. No kicks were heard about the hats, for the broad brims did a great deal to ward off the rays of the sun. Many of the men were badly sunburned, but otherwise the health of the camp is good.

The Shaksperian Ball.

The Shaksperian ball was held in Albert Hall, which was elaborately decorated. The dancers numbered throusands, while 400 boxes were occupled by the representatives of foreign nations and the most prominent British officials. As many as 29 quadrilles were danced simultaneously, the participants representing groups of characters from Shakspere's plays. Leading actors and actresses took part in these quadrilles along with the leadeds of the smart set. The Duke and Duchess of Connaught, Prince Louis and Princess Victoria of Battenburg, Prince Alexander of Teck, Prince Henry of Prussia and the princess, the One dollar a day for a horse is not Henry of Prussia and the princess, the Only two men were declared medically unit, and they were sent home to-day. A few minor casualties have

been reported, mostly from the caval-ry lines. Kicks and sore feet seem to be in the majority. Many of the men are not used to the thin horses; some have never handled a horse, and the result is, in many cases, a few days result is, in many cases, a few days

As the outcome of an appeal by the Duke of Devonshire to the "gentlemen The camp signaling officers were the of England" to realize at this time The camp signaling officers were the most surprised men in camp to-day. At 9 o'clock the would-be signalers as sembled in front of the divisional head-quarters, and when roll was called, it was discovered that 102 men were desirous of learning "wig-wagging." This is the largest number who have ever turned out for signaling instructions. The officers state that the men are the most intelligent that they have ever had under them. To-day the men were able to send the full alphabet, a thing never accomplished on a first day
