DENTS WON BY TEAM PLAY AND CONDITION

Kitchener Beaten in Well-Played Game That Was Featured by Great Goal Work.

The world's champions from Kitchener suffered defeat in their first game this season when in a well-played game on Saturday night, the Dentals defeated them 6 to 1. The game was played in the Kitchener rink, and the winners had a very good showing.

The game was featured by the great goal keeping by Kargues and good rushes by Box and Brown.

This defeat of the Kitchener team does not mean that they are any poorer team than last year, and with practice and condition, will be just as good as last year.

Kitchener were the first to threaten when Parker took a pass from the face off and went in fast, but his shot was blocked by the Dentals.

Smith took a long one on Hainsworth's side. The first one when Hainsworth took a pass from Smith, went thru the defense and beat the goalie from the corner of the net.

The balance of the period was very even, the bell ringing as Hillier was inside the Dentals' defense.

Second Period Even.

The play during the second period was very even, with the Dentals scoring the only goal and increasing their lead to 3-0. Hillier was on hand to bat in the 7-0 round.

Brown's rushing featured this period, together with the grand work of the goalies, who both pulled off some ideas that looked impossible.

Apparently the Dentals coach still has the idea in his head as he dropped Hillier on the ice when he dropped Hillier off with Trushinski, and gained a one-goal advantage for a couple of minutes.

The final period started with Kargues going in and standing the Dentals' defense on their heads and having four goals before the Dentals managed to clear the puck away from the vicinity of their net.

The first one went in off Hillier's net. Smylie got the next two goals, when he combined with Smith and Box in succession.

Of these McNamara and Magin won nine, while Madden and Cory finished first in seven.

During the seventh sprint Kopsky and his partner, Coburn, tried to steal a lap and succeeded in gaining more than half the distance, while the crowd cheered wildly.

The chase lasted thru the greater part of two miles before the field caught up with them again. The field caught up with the leaders for 144 yards and 247 miles, and last year the record was 250 miles.

Cash prizes amounting to \$15,000 were awarded to the 15 teams, which entered the race. The winners received \$3000; second prize was \$2500; third, \$2000; fourth, \$1500; fifth, \$1200; sixth, \$1000; seventh, \$800; eighth and ninth, \$750 and \$600, and the remainder, amounting to \$3850, was divided between the other six teams.

De La Salle Hockey Club Elects Officers

The annual meeting of the De La Salle Hockey Club was held yesterday in the rooms, 41 Bond Street, when the officers were elected, as follows: President, Rev. Fr. Sullivan; Vice-President, Rev. Fr. Walsh; Secretary, Rev. Fr. O'Connell; Treasurer, Rev. Fr. O'Connell; Manager, Rev. Fr. O'Connell; Coach, Rev. Fr. O'Connell.

Deaf and Dumb Club Join Beaches League

Hundred Representatives Are Expected at Annual Meeting Tomorrow Night.

The annual meeting of the Beaches Hockey League, with its hundred clubs, will be held tomorrow (Tuesday) night at the Riverside Club, Strand street, when all representatives must turn in their annual fees before they can vote.

The game was featured by the great goal keeping by Kargues and good rushes by Box and Brown.

This defeat of the Kitchener team does not mean that they are any poorer team than last year, and with practice and condition, will be just as good as last year.

Kitchener were the first to threaten when Parker took a pass from the face off and went in fast, but his shot was blocked by the Dentals.

Smith took a long one on Hainsworth's side. The first one when Hainsworth took a pass from Smith, went thru the defense and beat the goalie from the corner of the net.

The balance of the period was very even, the bell ringing as Hillier was inside the Dentals' defense.

Second Period Even.

The play during the second period was very even, with the Dentals scoring the only goal and increasing their lead to 3-0. Hillier was on hand to bat in the 7-0 round.

Brown's rushing featured this period, together with the grand work of the goalies, who both pulled off some ideas that looked impossible.

Apparently the Dentals coach still has the idea in his head as he dropped Hillier on the ice when he dropped Hillier off with Trushinski, and gained a one-goal advantage for a couple of minutes.

The final period started with Kargues going in and standing the Dentals' defense on their heads and having four goals before the Dentals managed to clear the puck away from the vicinity of their net.

The first one went in off Hillier's net. Smylie got the next two goals, when he combined with Smith and Box in succession.

Of these McNamara and Magin won nine, while Madden and Cory finished first in seven.

During the seventh sprint Kopsky and his partner, Coburn, tried to steal a lap and succeeded in gaining more than half the distance, while the crowd cheered wildly.

The chase lasted thru the greater part of two miles before the field caught up with them again. The field caught up with the leaders for 144 yards and 247 miles, and last year the record was 250 miles.

Cash prizes amounting to \$15,000 were awarded to the 15 teams, which entered the race. The winners received \$3000; second prize was \$2500; third, \$2000; fourth, \$1500; fifth, \$1200; sixth, \$1000; seventh, \$800; eighth and ninth, \$750 and \$600, and the remainder, amounting to \$3850, was divided between the other six teams.

De La Salle Hockey Club Elects Officers

D.H.A. ALL READY TO OPEN THE SEASON

Adopt Amendment for Two Substitutes and Other New Rules.

The Ontario Hockey Association made some radical changes to the playing rules at the annual meeting held in the Temple Building Saturday morning. Bill Madden, manager of Aurora Lee juniors, was the sponsor for an amendment to the playing rules to allow two substitutes instead of one in the six-man game.

Another good move that meeting carried was one to make it compulsory for all clubs to number their players, register the numbers with the association and see that they are properly numbered.

The delegates were of the opinion that if not a direct violation of the rules, the A.H.A. was to the line, and voted to uphold the executive's ruling. This means that A.H.A. are not members of the O. H. A.

Frank Selke, coach of the Veterans' senior team, got by with his only amendment. It was to the effect that if the executive think it advisable, it may terminate and junior series for league groups, the series to begin immediately after the group winners are decided.

The idea is to help the little fellows and give them a chance to play in the league. The idea is to help the little fellows and give them a chance to play in the league.

A junior player may now play with his own team if he is not in the league. The idea is to help the little fellows and give them a chance to play in the league.

The usual honorarium was voted for the secretary and the treasurer. The incoming executive will deal with an enormous amount of work.

The retiring president, Sheriff Paxton, summed up the great things done during the war years by the association and really regretted the loss sustained by the association in the death of two of its members.

The weekly meeting of the Queen City Football League will be held on Wednesday evening this week, instead of on Tuesday, at the West End Y.M.C.A. Club.

Prizes to Lawrence Park Lawn Bowlers

Annual Meeting Held at Brantford, With Fifty Teams Reported Ready for Play.

The Lawrence Park Lawn Bowling Club held a very enjoyable smoker and card party in the assembly hall, Standard Building, on Friday night. During the evening prizes were presented by W. J. Irwin, for the bowling events of the past season.

The evening was enlivened by songs, Mr. Chas. Musgrave, officiating tournament prizes, the following were the winners of club events:

Inter-Rink Competition—E. W. Reynolds, J. R. Kennedy, F. M. Davis, A. E. Graham, G. T. Purdy, J. R. Kerr, F. W. Garrow, W. L. Nidrie, skip.

Club Doubles—O. P. Warburton and O. A. De Graw; Brantford, George Mosely, R. E. McEwen, skip.

Senior Singles—C. W. Sinks, 2 F. R. Sinks; 1 C. B. Billeson, 2 F. C. Carter.

The golfers play indoors at Granite. A new golf era was opened up in Toronto Saturday, when the members of the Granite Club started play on one of the three drives of their new and splendidly appointed indoor course, upstairs, in the curling rink.

The centre tee was tried by well-known performers like Messrs. Geo. Hargrave, Jimmy Dalton, and Rennie, who stated that they experienced many of the inconveniences of the game outdoors.

The three artificial tees, the golf balls, and the nearest thing to the real thing, the rules and outfit provide for all shot except putting. You use the wood or iron for driving, and the straight shot is to the centre for one, slightly left, left, low or high for two, and out, all round, for three. Then there is the "artificial green" for putting and penalties. On the whole, it looks a splendid thing for the future of the game.

The rules and outfit provide for all shot except putting. You use the wood or iron for driving, and the straight shot is to the centre for one, slightly left, left, low or high for two, and out, all round, for three. Then there is the "artificial green" for putting and penalties. On the whole, it looks a splendid thing for the future of the game.
