The Mayor: "What are they?"
"We have nine members in the Council who were in it when the agreement was signed," continued the vice-chairman, "and it is due to them to clear this thing up."
He courted an investigation.
Ald. Lamb: "Oh, he'll protect you;"
The Mayor sided with Ald. Hubbard. In view of the contemptible failure of E. A.'s previous cases, he thought Council would lower itself by association with him in this personally, though, he had nothing to fear.
