IS LICENSE ACT REPEALED?

Did the Liquor Act, 1902, repeal the Liquor License Act, 1897. and all amendments thereto? Section 223 of pire and to pro-company aldermen who preferred compromise to litigation.

These company advocates are fond of saying that eminent legal authority warned the city against an appeal to the courts. They should look up the the abolition of the bars, which is defined as a specific to the province."

They should look up the dum in order to put the Premier and the government in a hole "by compelling them to introduce a prohibition measure far in advance of the real sentiment of the Province." Thus the abolition of the bars, which is defined as a specific to the province and the gratulated on the substantial vote which makes it owner of its waterworks. No better instance could be afforded of the tendency of Ontario municipalities towards public ownership.

Four years ago Stratford declared.

Liquor License Act, being chapter 24b which makes it owner of its waterworks. No better instance could be afforded of the tendency of Ontario municipalities towards public ownership.

Four years ago Stratford declared.

The Consumers' Gas Company seized an opportune moment and stampeded the city in the courts. Mr. Justice Street commented upon the city's "unreadiness." He had not occasion to remark the "unreadiness" of the gas company.

There is no getting away from the fact that the city's case was wretchedly handled. The fault lies with those aldermen who were continually interfering with the city's legal representation. The fact that city's legal representation and his colleagues to the city in the courts. Mr. Justice will take no risks for prohibition, or even for advanced temperance tion to the rule.

Street commented upon the city's "unreadiness." He had not occasion to remark the "unreadiness" of the gas company.

There is no getting away from the fact that the city's case was wretchedly handled. The fault lies with those aldermen who were continually interfering with the city's legal representation. "His own convictions and the compulsion of the great body of his supporters who are pledged to temperance reform as well as to Liberal principles will carry the government very far in advance of the presentation to the rule.

Street commented upon the city's "unreadiness." He had not occasion to relegislation. "His own convictions and the compulsion of the great body of his supporters who are pledged to temperance reform as well as to Liberal principles will carry the government very far in advance of the presentation to the rule.

Alas, that good old Father Neptune should become a mere "Aye, aye, sir," to Admiral Sir Thomas Shaughnessy:

The suit against The Consumers' Gas Co. should go down on the records as the City of Toronto v. The Consumers' Gas Co. and The Mail and Empire.

Gas Co. and The Mail and Empire.

The Globe's prohibition article, like and the computation to the rule.

The suit against The Consumers' Gas Co. should go down on the records as the City of Toronto v. The Consumers' Gas Co. and The Mail and Empire.

The Globe's prohibition article, like and the computation to the remains unnument of the assembly

By this measure, framed and enactthe privilege of listening to the high, sion get after those naughty Tories and assented to by the Lieutenant-sel Fullerton. These gentlemen seem to the privilege of listening to the high, sion get after those naughty Tories and assented to by the Lieutenant-sel Fullerton. These gentlemen seem to Statesmanship, again, consists in carpression conveying the same meaning. pression conveying the same meaning as "are hereby," so that the act that is declared to have been done on that date was the repeal of the license laws

then in force.

Except in title and the consecutive ient on part 1, but that it stands indeed it does not go further.
