GREAT FIRE AT CINCINNATI

Million Dollar Conflagration in Heart of Warehouse District.

Cincinnati, Aug. 22.-Fire which started at 9 o'clock tonight at Hunt and Broadway street entailed a loss estimated at \$1,000,000. The fire, it is said, started in the Eagle white lead plant and spread to

adjoining buildings. At 10:30 the following buildings had een destroyed: B. H. Kreger Grocery Company, warehouse; Morrison & Snodgrass, planing mills; Aetna Smelting Company, D. T. William's Valve Company, Robert's Lumber Company, Krehbiel Printing Company, and Bur-

dick Wagon Company. The fire gained rapid headway owing to the inflammable contents of the paint company building. When the firemen arrived it was seen at once that it would be impossible to handle it with the staff and a general alarm was turned in. The firemen were forced early to abandon the Eagle Company's warehouse and turn their attention to saving the adjoining buildings. Despite their efforts, these quickly caught and were quickly consumed.
