TIGERS BREAK EVEN WITH NAPS; LATTER QUIT COLD IN SECOND

Umpire Compels Lajoie to Play a Full Five Innings.

Detroit, Sept. 13.—Detroit and Cleveland broke even in today's double-header. The first game was another one of those hard luck kind for George Mullin. The second was a farce of the worst order. Detroit sent Donovan to the slab, and Bill was again working in great style. Joss, on the other hand, had nothing and was hit hard.

Three runs to the bad, Cleveland put up the worst exhibition of quitting ever seen in an American League ball game. Umpire Hurst had announced that the game would be called at 5 o'clock that the Tigers might catch an early train to St. Louis.

Lajoie figured out that if his men loafed it would not be possible to finish the five innings necessary to make it a game. So easy fly balls were dropped, men were walked, and every ball that came in was thrown wild. With 7,300 people howling and jeering the Clevelanders, Umpire Hurst finally told Lajoie that five innings would be played if the teams were on the field until morning.

"And if it isn't over then," he said, "I'll forfeit the game to them."

A crowd of several thousand fans followed the Clevelanders when the game was finally over, with the score 10 to 0 in six innings of play. They were jeered all the way down to their hotel and kept busy dodging cushions and other missiles.

This gives the Tigers an even break in the series. On straight baseball they would most likely have won the second game anyway, as Donovan had splendid control and all sorts of speed, while the Tigers hit Joss hard and often.

Hoodoo Follows Mullin.

Thielman opposed Mullin in the first contest. The one-bad-inning hoodoo which has hovered over Mullin and other Tiger pitchers so long was again in evidence. They scored off Mullin in but one round. That was the second. Thielman kept his hits scattered, with the exception of one in the third, and in this the Tigers lost their chance by some poor coaching of base-runners.

London Not Represented Today At C. A. A. U. Championships

Hamilton Has Several Entries — Joshua Nicholas, of Muncey, Will Run.

Owing to the heavy expenses which such a trip would entail, local athletes will not compete at the C. A. A. U. championships at Toronto today.

Hamilton, however, will be represented as the following item from the Herald indicates:

Bobby Kerr, Ralph Bowron, C. Ogilvie and W. S. White will represent Hamilton. M. C. A. at the C. A. A. U. meet in Toronto today, and will compete in the 100, 220 and 440 yards races. Bert McKee will compete in the high jump, pole vault and weight events; Dr. Bricker will compete in the broad jump, and Lumsden in the mile walk.

A National Bowling Association To Be Formed Across the Line

Fall River, Mass., Sept. 13.—Lawn bowling is growing in popularity in this district and a large number of new clubs have been formed during the past season. At a recent tournament fourteen clubs entered, eight from Fall River and two each from Kearney, N. J., the Boston Curling Club and Boston Bowling Club. The trophy was won by a rink skipped by Mr. E. Cook, who, it will be remembered, visited the Niagara and London, Ont., tournaments in July last.

At a meeting of the Fall River Bowling Green Club yesterday, the Boston Curling Club, the Boston Bowling Club, the Kearney, N. J., Bowling Green Club, and the Fall River Bowling Green Club, it was voted to hold a meeting here on Oct. 26, at which it is proposed to have a delegate from each of the clubs named and Brooklyn Bowling Green Club and the New Brunswick, N. J., Bowling Green Club, present to discuss the advisability of forming a national association.

The interest in the Aquarium in New York is attested by the attendance, which has averaged 4,685 a day for the last ten years. The average for last year alone was much greater than this figure, the number being 5,771 a day.

base line. The ball hit the bleacher fence, and shot into right field, Cobb making a two-bagger of it. Cobb's finger was split open in sliding and Lajoie permitted him to retire from the game long enough to get it dressed providing that Jennings would fan bases for him. To this Jennings agreed.

Rossman singled to center and Hughes made third. Coughlin signaled him to try for home and he sprinted for the plate. But Birmingham's perfect throw got him easily. This was the first out, and from then on the Tigers were unable to score. Downs flied to Birmingham and Schmidt rolled to Thielman. The chance was lost. The score:

It was an attempted sacrifice, but Mullin tried to get Clarke at second. The throw was beaten by the Indian. Birmingham sent a clean single to center and Clarke scored. Bay was out on an infield fly, but Downs, in trying to "trap it," let it pass him and Hinchman and Birmingham advanced a base a piece. Thielman batted, but Lowe and Hinchman beat Bobby's throw to the plate. Flick struck out, but Thielman stole second. Bradley doubled into the left field crowd and Birmingham and Thielman scored. TIGERS UNEARTH A NEW WONDER

Hamilton, Sept. 13.—The senior and intermediate Tigers have knuckled down to business. They had a fast practice at the cricket grounds last night, and those who went there to see the champions work got a line on a new wonder, Ernest Wigle, 20 years of age and who weighs 190 pounds. He is a son of the Mayor of Windsor. Frequently he punted the pigskin 60 yards and handled some of the Tigers like Teddy bears. Wigle came here recently to work in the Bank of Commerce, and Manager Thompson says he will surely be seen on the champions' wing line this year.

Miss Wilkes Has Two Winners in Kentucky Todd and Katherine L.

Kentucky Todd, the fast 3-year-old trotter owned by Miss Kate Wilkes, Galt, is coming into his own, and bids fair to be the fastest trotter yet uncovered. He trotted a mile at Indianapolis for the other day in 2:09, the record mark for horses of his age. He is richly staked for the best of the season, and should take home the shekels in most of these events. He is entered

Pete Lohman Stopped at Nothing

The Alberta Saturday News says: In the Western Ontario League a few years ago London had been tail enders, or pretty low down, for several seasons. Guelph, Galt and St. Thomas were making the Forest City team look like marble players. The one year the London management got wise and fortunate, secured Pete Lohman to manage and do the backstop work, and the conse-

A \$1,000 CHECK IN 18-CENT FRAME

What James McCaffery Will Do With Joe Kelley's Draft Check From Boston.

"See this," said President McCaffery of the Toronto Baseball Club yesterday morning as he held up a green check. "Well that's a check for \$1,000 from the Boston Nationals, the drafting price of Joe Kelley. I'm going to buy an eighteen-cent frame and hang it up. They have about as much chance of getting Joe as —" and James Jay paused, puzzled for something denoting the utmost impossibility.

And just as soon as Pat Powers comes home, he continued, "I'm going to raise a row about this thing, and stir all the minor league clubs up and see if we can't get legislation preventing the drafting of an ex-major leaguer from a minor league club unless he is willing to go. What encouragement is this for a minor league club to build up a strong team."

INDIANS READY FOR 5-MILE RACE

Four Good Ones in C.A.A.U. Championship Race—Coley Back From Vacation.

Toronto, Sept. 14.—"The Great Indian Congress," which is a feature of the C. A. A. U.'s fall championship meet at Varsity today, is just about complete. Hilton Green, of the Mohawks; Joshua Nicholas, of the Oneida from Muncey; Ben Howard, the Hiawatha Indian from the Sunderland bunch of the Irish-Canadians, came into town today, and all that remains to assure a successful opening is for Big Chief Tom Longboat to come back from Erin, where he is running a five-mile race today. All five Indians will face the starter in the five-mile race in the fall championships tomorrow, and as all are top-notchers at five miles, the white boys in the race will travel all the way to get a place in the race.

Tom Coley, the I. C. A. C.'s good man, who has been away on a vacation, returned to Toronto today. He is in pretty fair shape, and will keep the long Indian busy at the distance. Coley has not yet met Percy Seller, the I. C. A. C.'s new five-mile, who broke Coley's record, and he is anxious to hook up with him in the race. Coley will also run in the mile race.

WOODBINE RACES COMMENCE TODAY

Toronto, Sept. 14.—This afternoon the Ontario Jockey Club's fall meeting opens at the beautiful Woodbine course, to continue till the end of next week. Though the meeting is comparatively short, the liberality of the purses offered has brought together a great number of horses of excellent class, and there will be a week of the most interesting racing. The stables are practically all occupied already, and the late-comers from Montreal and other points will find most of the accommodation at the course taken up. So great has been the pressure in this direction that the board found it necessary to decline to reserve room later than another 24 hours.

The track stood the exceptionally heavy rainfall very well, and will be in fine order for tomorrow's racing. Six races are on the opening programme, entries for all of which, but the Autumn Cup, will close today, as will also the Ringwood Handicap for hunters, to be run on the flat on Tuesday.

NO PERSON should go from home without a bottle of Dr. J. D. Kelley's Green-Cordial in their possession, as chance of water, cooking climate etc. frequently brings on summer complaint and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering and frequently valuable lives. This Cordial has gained for itself a wide-spread reputation for affording prompt relief from all summer complaints.

LONDON'S RUGBYITES MOST ENTHUSIASTIC

The Toronto News says:

Up in London the Rugby fans are about as enthusiastic as they were in 1900, when they won the Intermediate championship, defeating Peterboro, and the next year, when the latter club turned the tables on the western team.

The chance of entering both junior and intermediate teams in the association appears very bright, as there is plenty of good material on hand. The London club has secured Stanley Brent, physical director of the Y. M. C. A. there, to coach the players, and the old Central Y. M. C. A. leader should turn out a couple of fast teams.

LIPTON CHALLENGES ONCE MORE; ANOTHER TRY FOR AMERICA'S CUP

London, Sept. 13.—Sir Thomas Lipton will make another attempt in 1908 to regain the America's cup for Great Britain. The announcement was made this afternoon by Sir Thomas in London, and by the secretary of the Royal Irish Yacht Club, at Dublin. The challenge, which goes to the New York Yacht Club in the name of the Royal Irish Yacht Club, was mailed from Dublin today. It probably will be taken to New York by the American liner St. Paul, which leaves Southampton tomorrow.

The details of the challenge were arranged when Sir Thomas visited Dublin recently in the course of a yachting cruise around the British islands to board the Erin. He told a friend months ago of his intention to challenge, but having until the end of

September to take action he deferred challenging until the eleventh hour, not being desirous of giving the American yachtsmen more time than necessary to make preparations for defending the cup, they having, it is claimed, a great advantage in it being necessary for the challenging yacht to cross the Atlantic.

The Royal Irish Yacht Club was organized in 1731, and is located at Kingstown, near Dublin. Its races are sailed on the Irish Sea, over course free from headlands.

It is not known why Sir Thomas decided to challenge through the Royal Irish Yacht Club, instead of the Royal Ulster Yacht Club, which issued the previous challenge in his behalf, unless it is that he thinks a change of luck may follow his change of clubs.

Local fandom is exhibiting strong symptoms of an attack of internationalism (whatever that is) and a city league next season does not figure at all in the plans of those who weekly pay twenty-five cents for the privilege of entering Tecumseh Park in order to tell the umpire what they think of him.

That recent Toronto rumor to the effect that an International League including London probably started all the talk, and the fans will buzz away until the snow flies, after which they will settle down until next spring when the same old league will find its way into existence.

Undoubtedly this city could support a bigger league than the present one, but the philanthropist willing to finance such a venture locally has to appear.

Out in the East End they are discussing nothing but the coming battle royal between the Princes of London East and the big boys of the tin works for the city championship.
