

STRAW HATS

SATURDAY IS A BIG DAY FOR MEN

THE SALE IS ON

Sometimes we find it necessary to throw off ballast. If we are caught with too much stock at the end of a season or need room for new goods, our pencil gets busy on the price tags. A low price sale here doesn't mean job lots or inferior goods, but genuine bargains. Just now we are shaking down our straw hats. If you know us we need only say "the Sale is on."

Men's genuine Panama Hats, all shapes and sizes, regular \$10.00 and \$12.00, for . . \$5.00
All our complete stock of Straw Sailors and Soft Brim Straw Hats, in the latest shapes, all sizes, choice of any hat up to \$3.50 in price, for . . . \$1.00

Now and then opportunity knocks at the door of the man who buys hats. "This is opportunity knocking at your door."

UNION LABEL IN POLITICS.

Should Be Attached to All Campaign Literature.
BOSTON, Aug. 14.—(Special).—The final decision for the meeting place of the next convention of the International Stereotypers and Electrotypers Union will be reached to-morrow, with sentiment to-night rather strong for Toronto.

As president of the Toronto union James Simpson said to the I.T.U. delegates to-day: "I had to suspend but two members during the entire two years of the eight hour strike, and we had the same conditions to fight as you have. Some designing individuals wish to separate the bond that exists between organized labor of Canada and the United States, but on both sides we have constant watch on proposed legislation. In Toronto we employ one of the best lawyers in Canada."

"The Canadian working man," said Mr. Simpson, "is beginning to take a decided interest in politics, and in the eastern section is forming an independent labor party, while in the western part we have the socialist party with three members in the parliament of British Columbia. We are going to elect those who believe in the ideals of the workers."

In this afternoon's session the Toronto delegates strongly voiced their approval of the resolution requesting all political candidates to attach the union label, not only to their political printings, but as well to all private printing matter connected with their campaign.

Big Storm in New Brunswick.
CHATHAM, N.B., Aug. 14.—(Special).—A terrific wind and rain storm struck Chatham this afternoon. The wind blew at seventy miles an hour and rain fell as in a cloudburst.

BIG WEST TORONTO SHOP INSTALLS FIRE SERVICE

Supplements City Fighting Plant—No Change in Local Strike—County News.

WEST TORONTO, Aug. 14.—The Heimtman Piano Co. to-day, with the assistance of the local firemen, make a critical test of the new pump installed for the purpose of increasing the efficiency of their own fire department. With two lines of lay-out each 100 feet in length, from a four-inch nozzle, a stream was thrown completely over the water tower on top of the building.

The top of the tank is more than 75 feet from the ground, and the Heimtman Co. and the city firemen are delighted with the showing.

The police to-night escorted four youths to the lockup, from which they were later released.

Fireman John Piggott, who has been on his fortnight's vacation, returns on Wednesday, and Fireman Charlie Piggott gets his outing.

There is no change in the situation of the C.P.R. harvesters' excursion trains were made up in the local yards here to-day. One section went out this morning, and two to-night, one train of 17 coaches and another of 16. Few of the strikers were among the passengers.

Dr. Mavity will resume practice on Monday, August 17th, and will be assisted by Dr. McMurrich, who has been attending to Dr. Mavity's practice during his late illness.

DOVERCOURT.

Open Letter to World Outlines Plan of Local Workers.

DOVERCOURT, Aug. 14.—Devotees of the flowing bowl in the Dovercourt district will not expect much comfort from the statement issued by one who last winter was most prominently identified with the work of relief here. The statement in brief is as follows: "The amount of beer being consumed in this village is occasioning much comment amongst thoughtful people. When one thinks of the relief work of last winter and the approach of another hard winter it is difficult to understand how people can be so thoughtless and lacking in gratitude and foresight. Help will not be given beer drinkers in the future, it is reported on good authority."

O'SULLIVAN'S CORNERS.

While Visiting His Brother, Old Scarborough Resident Dies Suddenly.
O'SULLIVAN'S CORNERS, Aug. 14.—This neighborhood was greatly shocked yesterday morning to hear of the sudden death of one of the evening of Mr. William F. Mason, who was on a visit to his brother, E. G. Mason, Jr. He was unmarried, but leaves a widowed mother, Mrs. D. Mason, Sr., two brothers and two sisters. The funeral will be from the old homestead, lot 35, con. 3, Scarborough, to St. Paul's Cemetery, to-morrow (Saturday) afternoon at 2.30.

STOUFVILLE.

Business Men of the Town Will Meet on Monday Night.
STOUFVILLE, Aug. 14.—Mr. and Mrs. F. E. Miller are in attendance at the Knights Templar celebration in Toronto.

Farmers from the district around the village in town during the week agree in saying that the pea crop as a whole is almost a complete failure. Oats are a fair crop, while the late rains have worked wonders among the roots.

The Stoufville branch of the Women's Institute will meet in the council chamber on Aug. 19 at 2.30 p.m. Mrs. Mowat will lead in the discussion.

Mr. Albert and Stoufville baseball teams play on the diamond park here to-morrow afternoon at 4 o'clock.

It is believed by the brotherhood that these fraternal visits are in the interests of the membership, as the visits are usually returned.
