## TAKE THE OPENER FROM THE SKEETERS

Nice Pitching Duel is Awarded to Pat Shea by One Run.

Blue Monday is over; the Leafs came thru the ordeal with flying colors. But Donovan and his much-improved Jersey City Peas opened a three-game series at the island yesterday. The Skeeters have shaken their dark uniforms that adorned them for the last two seasons, and, with the dropping of the old tags, and the team have adopted pepper and a fine brand of baseball. They fought the Leafs tooth and nail for the full route yesterday, and Duffy was glad to call it off with the only run of the game in the Toronto bat bag.

It was a good pitching exhibition, with Pat Shea tossing them up for the home-ers, and Biemiller doing the Skeeter end. It was an even tussle, seven hits, and the Leafs won by a score of one to nothing. Biemiller's own mistake of providing a balk to help Frank along on his journey. This happened early in the game, and the other rounds bristled with sharp fielding and air-tight pitching.

The Jersey City team are long on fielding this year, a falling in past seasons, and their work was a treat. Two double-plays were sprung on Duffy, and while it was not encouraging for the local fans, it was good work, and appreciated.

Vernon Spencer had a perfect day at the bat. He was credited with two hits in two trips to the plate, his other effort being a perfect sacrifice and a walk. This hoisted him to the head of the batting average list again. O'Rourke showed a brilliant performance throughout the whole game. His fielding was perfect, stole a base, and scored the only run of the game. This left only two hits for the rest of the boys, Whiteman and Blackburne getting one each.

Shea mixed in three chances with an afternoon of good pitching, and was backed up well by his team-mates. The 1-0-0 score explains this better than any other argument. A double-play nipped a promising Skeeter session right in the first inning. Shea was right in the third, and Biemiller was right in the fourth, and then Wigwagworth dropped a hit in center, Bauman hit sharply to left, O'Rourke pegging to second, and the play was first for the double.

After O'Rourke had batted out in the second Whiteman doubled to the second base, and then Biemiller fielded Blackburne's bunt and scored to third to late to get Whitney. Whiteman spoiled the fun by getting picked off the third base on a snap throw by the catcher.

The lone run of the game was pushed over in the third. After two were out, O'Rourke sprinted to first ahead of the tag to short. He stole cleverly, and took a lead off center to right. The play was a nice hit to right did the trick. Biemiller went well after this, the Duffy-ites getting only three scattered hits in the remaining five innings that it was necessary to play. In the fifth Biemiller struck out Anderson, Sanberg and Shea. Goodrich, Chief of Akron on May 24 and 26. The games in the second round of the Ontario Cup were scheduled for May 26.

## VALGER, MONTREAL, JOYCE AND BURKE WIN AT BEST BOXING SHOW OF SEASON

The United Veterans put on a great boxing show last night at the Arena, the best of the season, and there were two added attractions, the Winnipeg Falcons, world's hockey champions, and Jimmie Wilde, both being introduced from the ring amidst cheers and a modest little speech thru the megaphone by the flyweight marvel. There were four good bouts, and all went the limit. Benny Valger of New York, defeated Nick Michaels of Syracuse, 10 rounds, at 133 lbs. They were evenly matched as to size and color, Hebrew against a Balkan, and they battled all the way. Valger essayed to do the leading and Michaels never backed up. It was a great fight. In the second Valger crossed a jolt to the jaw and Michaels went down for the count. This was repeated just before the bell in the same round. Michaels was in no trouble and always nipped a promising Skeeter session right in the first inning. Shea was right in the third, and Biemiller was right in the fourth, and then Wigwagworth dropped a hit in center, Bauman hit sharply to left, O'Rourke pegging to second, and the play was first for the double.
