

this people. One year ago they might have been found in the midst of heathenism of the darkest and most cruel nature—to-day, many of them are “sitting at the feet of Jesus, clothed and in their right mind.” Our religious services have been attended by old and young, and about ninety have come out on the Lord’s side. We have brought out two young men as exhorters and class-leaders. They are earnest in their work, and are doing good service for the Master.

Mrs. Tate has kept up the day-school with a total attendance of eighty, and an average of forty-five. We cannot secure the Government grant on account of having but one daily session, this being all that Mrs. Tate could accomplish in connection with the household duties, visiting the sick, etc. The school is comparatively large, and ought to have a teacher, whose whole time could be devoted to it.

During the winter we have erected a Mission-house and a school-house; the latter serves the purpose of a Church also. The Indians have subscribed to the amount of \$462 toward the erection of the above.

BELLA COOLA.—We have made one visit to this place, and feel thoroughly convinced that this will be a grand field for Missionary labour. We would strongly advocate the appointment of a Missionary, or at least a married teacher, to this very important field. We trust that the incoming year may be one of great spiritual success, when hundreds of these poor people shall be brought to the Saviour. Members, 87.

LITTLE change of a favourable nature has attended the history of this Mission since the last year’s REPORT was issued; nor can much be expected until a suitable Missionary can be obtained to take charge of its spiritual interests, who will make a longer stay than what has unhappily marked the previous appointments. The teacher, Mr. Glass, recently appointed to the day-school, conducts religious service, and established a Sabbath-school. Of these, he says, “he is encouraged in his Mission-work by the sympathies of the people.”
