USING "REGAL"
In New Brunswick today many of the noble army of bread-makers are now using a white flour that has never been surpassed in quality anywhere or at any time. This flour is named "Regal" and it can be said that this one, among the different brands of high-grade flour, stands out pre-eminent. Particular bakers and fastidious cooks are always pleased to use it, as they are sure of its uniform high quality and its ability to secure results. 10-3

For the Week End

A collection of new ties in the latest shapes and patterns is winning generous approval. The narrow tie for the low collars and also the medium width so favored by many men. One dollar affords a wide choice and fabrics that will give service.

The shirt stock has been reinforced with many new patterns at \$2 and up. Fancy Vests are correct in the fashion centres and we have recently opened an assortment. An early selection would be advisable.

Topcoats have been in unusual demand during September; the need will be greater for them in October. You will find here good ones of tweed and cheviot and new gabardines. Prices \$17.50 to \$40.

TIME CHANGES ON C. N. R. LINES OCT. 2
Not Much Change in the Local Train Service.

Changes in train service on Canadian National lines effective Oct. 2 do not greatly affect the trains in and out of Union station. No. 19 will arrive at 1.30 p.m. instead of 1.35 p.m. and No. 13 will be due at 5.35 p.m. instead of 5.30 p.m.

Train No. 14 will leave at 1.40 p.m. instead of 1.15 p.m. and will connect at Moncton with No. 4, Ocean Limited.

The afternoon connections for Prince Edward Island will be made by changing to the Ocean Limited at Moncton, and from Sackville by taking train No. 40 leaving for Tormentine at 6.25 p.m.

The morning train connection for Prince Edward Island will be by No. 18 as usual. There will be no change in the P. E. Island service until Oct. 29, the steamer continuing to make two round trips daily (except Sunday) until then.

No. 10, the night express for Halifax, will leave St. John at 11 p.m. instead of 11.25 p.m.

There is no change in the service on the Valley Railway, nor in the through service to Quebec via Fredericton and McEwen.

The Cafe Parlor Car now running between St. John and Cape Tormentine on trains No. 14 and 40 and trains No. 38 and 42, will be between St. John and Moncton, eastbound on train No. 14 and returning on train No. 17. This is the same arrangement as last year. 10-5
