

VOTES DOWN A "RED FLAG" DECLARATION

Radical Socialists Are Defeated on Proposition for "Dictatorship of the Proletariat" and Limitation of Citizenship.

The "red flag internationalists" of the Socialist party of America, met their first real defeat in the party's national convention at New York on Tuesday. By the decisive vote of 103 to 38 the convention crushed a "radical" declaration of principles submitted by the delegation from Illinois, which provided for the "dictatorship of the proletariat" and limitation of citizenship throughout the United States. Bitterness and invective marked the day-long debate between the "conservatives," forces of Morris Hillquit of New York, and the radicals, led by J. Louis Engelhard of Chicago.

"You are afraid of the dictatorship of the proletariat," shouted Engelhard in closing the debate on the Illinois mea-

sure. "Yet you have the dictatorship of Palmer, Wilson and Burleson. You can't fool anybody by phrases, nor can you fool anybody with the decorations of this convention hall, the American flag, the flag of Wall Street and the dictatorship of Wilson."

"There is only one road to victory. There is only one flag, the red flag of international socialism. We can do nothing better than ally ourselves with our comrades in Russia, Italy and everywhere else where they believe in international socialism."

"I see only one kind of socialism—international, world socialism. We cannot compete as phrase mongers with the labor party, the non-partisan league, the committee of 48, nor any of the old parties. But we can compete with all in the phrases of revolutionary socialism."

James O'Neal of Brooklyn, arguing for the victorious Hillquit "conservative" platform, bitterly arraigned the word "dictatorship."

"Are we scientific socialists? Or, are we dogmatists?" asked O'Neal. "The time and conditions which favored the Russian revolution must be studied before we attempt to adopt them here."

"I don't like the word 'dictatorship.' Let it go throughout the country that you favor a dictatorship of the proletariat and you cease to be a political party."

"Introduce such a resolution and you must do your work underground, or you will be driven under by Sweet at Albany and the politicians at Washington, who exercise such a dictatorship but that would not excuse us."

"Bourgeois democracy with all its sham and illusions permits, in normal times, decision by an honest and fair discussion. To espouse the dictatorship programme would turn every such democracy into an absolute autocracy."

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies are Using Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair, it keeps the scalp cool, it also brings back the gloss and lustre and gives it an appearance of abundance.

AIRMAN DISAPPEARED IN A MYSTERIOUS MANNER.

(Toronto Mail and Empire.)

One of the strange disappearances of the war has to do with Captain William Fulton Cleghorn, D. F. C., son of J. B. Cleghorn, formerly of Dovercourt Road as the relatives have been unable to secure any information concerning this airman since he was shot down in Germany on Oct. 2, 1918, during the Allied advance. Captain Cleghorn, with Lieut. Eric Stringer as observer, had taken flight to the advance French line, and upon the return trip became confused and flew into Germany instead of back to France. Mr. Cleghorn has heard from Lieut. Stringer, who states that Captain Cleghorn was shot in the leg and was evidently taken to a hospital, as when they separated Stringer was to go to a prison camp and Cleghorn was listed for hospital treatment. Since that moment no trace has been found of the missing officer and the combined efforts of the British, French and Belgian governments have been unable to learn what happened to Captain Cleghorn. Recently the family received word that the son was declared dead "for official reasons," meaning, as they believe, they the authorities had merely given up all hope of tracing him. Advertising in Germany for the missing airman has failed to produce any satisfactory results.

ANOTHER BANK DUSTS HALIFAX SEMI-READY SHOP

George Creary Has Two Plans to Keep the Banks on King Street—Keep Them From Monopolizing All the Good Corners in Live Trade Centres.

"I have just learned that another bank has ousted the old established Semi-ready store in Halifax," said George Creary, who is hard at work on the preparation of his new Semi-ready shop on Charlotte street. "Dart these banks! They make a good corner so somber and dead that the real live business seeks other quarters; builds up a thriving trade thoroughfare, to be in turn undermined by another incursion."

"When my new store opens, and I hope to accomplish this opening in time for the 24th of May, I'll have suits so fine that the wearers will look prosperous enough to help me borrow that money."

"One thing sure, most men know that they can bank on the real value of the price-in-the-pocket of every Semi-ready suit. No other maker of good clothes in America has had the courage to affix the real worth of a garment on each suit, and thus keep good clothing free from the red-pencil marking up and down which has been so detrimental to the clothes trade," concluded Mr. Creary.

LOCAL BRANCH OF NATIONAL ORGANIZATION

A meeting of the recently organized St. John branch of the Canadian Building and Construction Industries, was held last night in the Board of Trade rooms, with J. A. Grant in the chair. The report of the committee on the constitution and by-laws was read and adopted, and the election of officers resulted as follows: President, J. A. Grant; first vice-president, John F. Patten; second vice-president, S. C. Drury; honorary secretary, W. H. H. Wilson and George H. Waring. There was a large and representative gathering and the members are very enthusiastic about the future of the branch of the association which has its national headquarters at Ottawa.

DR. DOOLITTLE IN MONCTON

Moncton, N.B., May 14.—Dr. Doolittle of Toronto, vice-president of the Ontario Safety League, who for several days has been touring Nova Scotia addressing meetings in support of the good roads campaign in the neighboring province, addressed a public meeting tonight in Moncton city hall on the subject of "Good Roads." Hon. P. J. Veniot, minister of public works for New Brunswick, who was present, also spoke briefly discussing conditions in this province.

Prevent Influenza—Internal Bathing the Best Method

Did it ever occur to you that if the system is kept perfectly clean, both inside as well as out, you must be able to throw off disease? It is only when the blood is not kept clean and pure that you are unable to throw off disease.

The great cause of impure blood is constipation, allowing accumulated waste to remain in the system, especially the colon where the entire blood circulation passes every twenty-four hours. There, poisons are taken up by the blood and the system becomes a prey to any infectious disease that may be prevalent.

The only method of properly keeping the colon and intestines clean is by bathing internally. The J.B.L. Cascade is the only perfect appliance for this purpose, and only purified warm water is used. It positively removes constipation and keeps the system as clean and healthy as nature intended it should be.

If you want to avoid being sick or to regain your health, keep your system clean and your blood pure. Thousands of Canadians have proven this wonderful health-giving method, and scores have been cured of blood troubles by using the J.B.L. Cascade without taking drugs of any kind.

There should be a J.B.L. Cascade in every home. It is being shown and explained by E. Clinton Brown, druggist, and Waterford streets, St. John; P. W. Munro, dispensing chemist, 387 Main street, St. John.

Stop That Pain!

Why suffer—and, in suffering, neglect an ailment which may cost you your life? Such things should not be. Pain has one purpose only—to show you where the trouble is. It is up to you to make it right.

Many aches and pains are due to Kidney trouble. Backache, pains in the side, headaches day after day, rheumatism, lumbago, neuralgia, sciatica—may be traced in almost every instance to uric acid and poisons which the kidneys have failed to take out of the blood. Weak kidneys also account for stone in the bladder, dizziness, sleeplessness and that tired-out, dragged-out feeling which is so fatal to your work.

GIN PILLS
FOR THE KIDNEYS

They have a wonderful action on the kidneys, soothing congestion, healing inflammation, rebuilding tissue, and enabling the delicate organs to resume their work of filtering the waste and poison from the blood.

They contain no alcohol, but all the beneficial properties of the Juniper Berry, and seven other helpful diuretics and antiseptics.

"I suffered with pains in the back, and also had Kidney Trouble," writes Preston Nurse, 437 W. 35th St., New York City. "Five doctors failed to relieve me. Then I tried Gin Pills, and in two weeks I found great relief. They are an excellent remedy."

Have You Made Your Mother's Dreams Come True? Are You the Strong, Successful Iron Man She Expected You To Be?

or are Worry, Work and Ill-Health Sapping the Iron From Your Blood and Robbing You of the Prizes that Come With Health and Success? Physician Explains Why So Many Men of Today Need the Help of

NUXATED IRON TO BUILD RED BLOOD

That Gives Courage and Power To Go In and Win

Every mother has dreams for her son. And whether it be the mother of the prize-fighter or the statesman, she is equally proud when HE wins. She thinks of HER struggle from the very start to nourish the tiny babe into rugged boyhood—then to build up his health, brawn and brain to fight the battles of young manhood. She did HER best to teach him what health and strength meant in the race for success, and the boy who was able to hold fast to her teachings is today in a position of power.

But there are thousands whose love for their mothers is just as deep—thousands who wear the white carnation on Mother's Day—thousands who never fail to write home—YET they would hesitate to answer the question, "Have You Made Your Mother's Dreams Come True?" simply because in the mad rush for the Success which they knew would make HER proud, they have slipped up on one point. They have neglected her oft-repeated words, "Look to Your Health First, My Boy." In pushing their mental energies to the limit without the physical strength to back them up, they have allowed worry, work and ill-health to sap the iron from their blood and leave them weak, nervous and run-down. These men are as anxious to get ahead as anyone else but they do not realize that iron is absolutely essential to the greatest development of physical and mental power. But in the wear and tear of modern day life when their forces are constantly drawn upon, they are without the sustaining strength produced by the nourishing foods and outdoor sports of boyhood days that kept up the supply of iron in their blood. Unless they supply this iron deficiency now, they cannot hope to have the rich, red blood that sends fires of energy through body and brain and makes men get ahead. Yet to take the wrong form of iron and prove worse than useless and therefore physicians begin explain why they prescribe only organic iron—Nuxated Iron—for red blood, strength and endurance.

"It is the men of blood and iron who will forge ahead in the business and political life of the country today," says Dr. T. Alphonius Wallace, a physician of healthier men and women, better able physically to meet the problems of everyday life, I believe that physicians should, at every opportunity prescribe organic iron—Nuxated Iron—for in my experience it is one of the best tonic and red-blood builders known to medical science."

No matter what other tonics or iron remedies you have used without success—if you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nux-

whole system whether a person is young or old, any opinion, Nuxated Iron is the most valuable tonic, strength and blood-builder any physician can prescribe."

Dr. John J. Van Horne, formerly Medical Inspector and Clinical Physician on the Board of Health of New York City, says: "To help build stronger, healthier men and women, better able physically to meet the problems of everyday life, I believe that physicians should, at every opportunity prescribe organic iron—Nuxated Iron—for in my experience it is one of the best tonic and red-blood builders known to medical science."

No matter what other tonics or iron remedies you have used without success—if you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nux-

ated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Nuxated Iron will increase the strength, power and endurance of delicate, nervous, run-down people in two weeks' time in many instances.

Manufacturers' Note: Nuxated Iron, which is prescribed and recommended by physicians and which is now being used by over three million people annually, is not a secret remedy but one which is well known and has been used for centuries. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by Ross Drug Co., 5, McDiarmid, E. Clinton Brown, Watsons Drug Store and all good druggists.

Doctors Stand Amazed at Power of Bon-Opto to Make Weak Eyes Strong—According to Dr. Lewis

Guaranteed to Strengthen Eyesight 50% In One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home

Philadelphia, Pa. Victims of eye strain and other eye weaknesses, and those who wear glasses, will be glad to know that according to Dr. Lewis there is real hope and help for them. Many whose eyes were failing say they have had their eyes restored by remarkable prescription and many who once wore glasses say they have thrown them away. One man says, after using it: "I was almost blind. Could not see to read at all. Now I can read everything without my glasses and my eyes do not hurt any more. At night they would pain dreadfully. Now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for 15 days everything seems clear. I can read even fine print without glasses." Another who used it says: "I was bothered with eye strain caused by overworked, tired eyes which induced dizziness and headache. I have worn glasses for several years both for distance and work, and without them I could not read my own name on an envelope or the type-writing on the machine before me. I can do both now and have discarded my long distance glasses altogether. I can count the fluttering leaves on the trees across the street now, when I read a book, I feel better and stronger in every way since taking it, and I cannot express my joy at what it has done for me."

It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of wearing glasses. Eye troubles of many descriptions may be wonderfully benefited by the use of this prescription. Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and let it dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation and redness will quickly disappear. If your eyes bother you even a little it is your duty to take steps to save them now before it is too late. Many hopelessly blind might have saved their sight if they had cared for their eyes in time.

Note: Another prominent physician to whom the above article was submitted, said: "Yes, the Bon-Opto prescription is truly a wonderful eyes remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. I have used it very successfully in my own practice on patients whose eyes were strained from overwork or mistletoe eyes, red lids, blurred vision or for eyes inflamed by exposure to smoke, sun, dust or wind. It is one of the very few preparations I feel about as certain as I can be about recommending to my patients. Bon-Opto, referred to above, is not a patent medicine or a secret remedy. It is an ethical preparation, the formula being printed on the package. The manufacturer guarantees it to strengthen eyesight to 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good drug store and is sold in this city by Watson's Drug Store and other druggists."

Middle Aged Women

Women should take warning from such symptoms as heat flashes, shortness of breath, the blues—which indicate the approach of the inevitable "Change" that comes to all women nearing middle age. We have published volumes of proof that Lydia E. Pinkham's Vegetable Compound is the greatest aid women can have during this trying period.

Read About These Two Women:

Fremont, O.—"I was passing through the critical period of life, being forty-four years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run-down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Gordon, 225 Napoleon St., Fremont, Ohio.

Urbana, Ill.—"During Change of Life, in addition to its annoying symptoms I had an attack of grippe which lasted all winter and left me in a weakened condition. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman and I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."—Mrs. FRANK HANSON, 1316 South Orchard Street, Urbana, Ill.
