You Can Plan a Lot of Good Things To Eat With Catelli's Macaroni

Exploring the possibilities of Macaroni is a never-ending delight to the good housekeeper. It can be served in such a variety of delectable ways—our new Cook Book, alone, gives 115 recipes.

Macaroni has more flavor even than potatoes, and Science shows that it has far greater food value. A pound of potatoes yields 295 calories (units of heat or energy). A pound of Catelli's Milk Macaroni yields 1664. Cream, Fish, Steak, Eggs, Spring Chicken and Bread, all give smaller calorie-values—cream, the highest, showing 881.

CATELLI'S MILK MACARONI
(Made in Canada)

Every scientific help that money can command or skill devise, has been utilized in the producing of Catelli's Macaroni products. They are made only of the choicest Semolina Flour and milk—in an ideal factory, under ideal conditions—never touched by hand. Semolina Flour is that granulated, cream-colored flour, milled from the finest hard wheat, richest in gluten, the great body-builder.

Meantime try these recipes:—
CREAMED MACARONI
One-third package Catelli's Macaroni prepared by boiling. Break macaroni into pieces; put in a buttered baking dish, and cover with a white sauce made by cooking together one tablespoonful butter, one tablespoonful flour, and one and one-half cup milk; add one-half teaspoon salt and two tablespoons grated cheese. Mix three-fourths cup cracker or breadcrumb crumbs with butter, spread over top of pan, and bake until nicely browned.

VERMICELLI SOUP
Put a quart of clear broth into a stew-pan on the fire; when boiling; add 2 oz. of Catelli's Vermicelli, boil gently 10 minutes and serve.

Catelli's Milk Macaroni, Spaghetti, Vermicelli, Noodles, Ready-Cuts, Alphabets, Stars and Animals are the best you can buy.

Easy to cook—delicious—economical—easy to digest.

Always in Sealed Packages—Ask your grocer. Send us your name and we will mail you our Cook Book "The Girl at Catelli's" free.

MAJOR INCHES ON WAY HOME.
A cable from Major Cyrus F. Inches was received yesterday saying that he is on the steamer Mauretania. No doubt his battery is on board too. The New Brunswick men will likely come to St. John with the siege batteries and the balance of the battery go on to Montreal.

Daylight Time in N. F.
St. John's, Nfld., May 5—Newfoundland came under operation daylight saving act today, change becoming operative last midnight.

To Commence Road Work.
Burton M. Hill, chief road engineer of the province, said Saturday that with favorable weather conditions during the month of May the permanent road work will likely get started about June 1 in the various counties of the province. In some sections, where the conditions of the road demand immediate attention, the work may be commenced before that time.

To Reside in New York.
Frederick Glenner, Mrs. T. R. McNally has gone to Toronto, where she will spend the summer visiting at her old home before joining Captain McNally in New York City. Mrs. McNally, who came here as a bride, made many friends who will regret her departure. Captain and Mrs. McNally will make their home in New York, where Captain

This Leaves the Skin Free From Hairy Growths
(Toilet Talks.)
A simple method for completely removing every trace of hair or fuzz is here given. This is painless and usually a single treatment will banish even stubborn growths. To remove hairs, make a thick paste with some powdered delatone and water, spread on hairy surface and after about 2 minutes rub off, wash the skin and the hairs are gone. This method will not mar the skin, but to avoid disappointment, be certain you get delatone.
